Protocol for Skype Counselling

Through the years we have learnt a couple of very valuable lessons to make Skype counselling more effective and ensuring a much better result and breakthrough.

It takes many hours and effort to do Skype counselling – and so we would like to suggest the following to help us along the process for healing and deliverance.

As we all know – SRA is a very difficult terrain and the client has been taught with exact precision to be VERY sharp and deceitful.

They have been trained:

- ◆ to deceive the counsellor
- ◆ they are super soldiers
- ◆ super spies and super killers
- ◆ psychic and physical.

They have so been programmed:

- ◆ to “read” the programmer
- ◆ to give them exactly what they are asking for
- ◆ to read their every movement and the slightest smallest flickering and trick
- ◆ the programmer sets MANY traps and tricks along the way to purposefully catch out the victim
... just so they can punish them severely.

Because of how the brain works, the victim creates a duplicate of the programmer inside their system.

A word to every SURVIVOR

Forgive yourself for not knowing better at the time.

Forgive yourself for giving away your power.

Forgive yourself for past behaviours.

Forgive yourself for the survival patterns and traits you picked up while enduring trauma.

Forgive yourself for being who you needed to be ...

A Righteous Chronometer

YHWH possesses the elevated Name The Ancient of Days. This Name speaks of the One who is bigger, larger, more immense, beyond, limitless. It addresses His eternity and also His position as venerable, revered, hallowed and deserving of honor. He is the ancient and the holder of all ancient knowledge.

Timing and its control represent a consistent conflict among YHWH and mankind and the enemy. One of the most majestic phrases in all of Scripture is the phrase, *“in the fullness of time.”* In the fullness of time - with the facets of history all in perfect alignment - YHWH inserted Himself into the stream of human history as a babe in Bethlehem.

The issue of time, timing, our relationship with time, and our connection to YHWH of all time, is a battlefield the enemy greatly desires to control. When he can get us to move ahead of YHWH or behind YHWH (out of time in one form or another) he disorders and disarranges. When he can get us to doubt YHWH's time, to be angry at YHWH's time, to sit in judgment of YHWH's timing, or to believe that YHWH has lost control of timing, he gains profound control in our lives.

This deliverance prayer addresses the brain's chronometer and the issues of time.

A chronometer measures time, measures it very precisely. Originally developed to count time and determine longitude at sea, chronometers measure time independently of the rolling of the sea, the minute fluctuations in earth's gravity and temperature variations. They are set apart from and stand above other influences in their measurement.

We want the chronometer within our brains to orient to and accurately align with YHWH, the Ancient of Days.

This prayer is for someone who is in Blood Covenant with Messiah Y'shua. If you have not established your relationship with Him, you should deal with that first. It would not be wise to participate in this prayer apart from that settled position.

You may wish to be sure you agree with this prayer before you engage in it. Anyone may read through this material for observation only. Simply acknowledge with your will, *“I am only looking, not engaging at this time.”* Those who wish to participate in the deliverance are likewise invited to acknowledge with your will as you pray through what follows, *“Lord, I am receiving this.”*

Prayer: Righteous Chronometer

Abba Father, we come today as a company of YHWH's People in Blood Covenant with Y'shua HaMashiach, the Son of the true and living YHWH, to war against the replacement of YHWH's chronometer in our brains.

We come to You, the Ancient of Days, and proclaim that You are LORD of time.

You are the Author of time. You are the metronome that controls the cadence of time. You are the only One who has the right;

- to change time,
- to suspend time,
- to operate outside of time.

You are the same through all of time ... yesterday, today and forever.

You have designed the sun and moon to govern the seasons, to govern the times. You have designed the Exhorter gift to be a human authority structure to partner with You in the ordering of time and the execution of Your right timing.

You have designed within our bodies, even, a number of time-related devices. In the vertebrae of our spine, You include C4, the female expression of the Exhorter gift, and T4, the male expression of the Exhorter. You made L1 the female expression of time and T8 the male expression of time. These reflect in the human body both time and the control of time.

The **Book of Daniel** says that Your ancient enemy will attempt to change the set times and appointed seasons in defiance of You.

Abba Father, we do not understand how our human choices allow time and the chronometer in our brains to be defiled and replaced. But whatever responsibility belongs to us and our forefathers, we own it.

We ask You to open the books from the beginning of time to the present. Examine every branch of our family lines - all our blood lines back to Adam, all our marriage lines that exponentially multiply our access to defilement, and all adoptive lines.

Examine the covenant lines of every religious, political, business, civil and spiritual organization we've been involved in. In every branch of these lines where the enemy could access, defile, and corrupt us, we ask You to identify the open doors.

We plead guilty as charged to that enormous condemnation that rightly sits before Your court.

At the same time, we plead the finished work of Y'shua on the cross, His suffering and His sinless death.

We plead His triumph in Sheol as He spent three days proclaiming there His dominion over darkness.

And we plead His resurrection with power to release to us a new and better Covenant.

On that basis, we ask for the obliteration of all legal right that Your enemy has claimed against us.

Now, Abba Father, we ask that if there is a defiled, exchanged or corrupted chronometer in this individual's brain or spirit, that You would now remove it.

We cut off the ties between an ungodly chronometer and all other support. This includes ties to every demon, whether inside or outside this individual. Ties to any alien human spirit, whether it is in partnership with a demon or operating alone. Ties to any other spirit beings and ties to any other chronometers on land.

We ask also that You would disconnect this person from every covenant, curse, symbol, ceremony, sexual activity or bloodshed.

Sever any tie related to the moon or its symbols. In the occult realm, the moon is a symbol of perverted timing. A vast amount of evil is done in dedicating all the parts of our humanity to a supposed moon goddess, the power of the moon or a lunar calendar.

We now reject and renounce those curses and covenants, along with any agreements made with death and Sheol. We reject their power to protect an ungodly chronometer.

Abba Father, we specifically address the parallel between the discs in the spine and the moon. Whatever that spiritual dynamic is, we don't fully understand it. We know that it was not designed by You and that is all we need to know. We reject it ... we repudiate it.

We ask You to disconnect, from anything associated with the moon, every single disc in the spinal column, one by one.

For every vertebra and all the spaces in between, all the way down to the spine's terminus at the coccyx, let there be a disconnect and purging from any moon god, any lunar calendar and any lunar cycle that was not established, ordained and blessed YHWH, the Most High.

We ask You also to remove any programming associated with the right and left ear, any device that has been constructed in the vicinity of the ears and is triggered by either an alien human spirit or a demonic spirit.

Dismantle that device in the spiritual realm and prune the neurological pattern in the brain that has been developed to run interference. May there no longer be any clicking sound or fear generated when the Word of YHWH is coming against the work of the enemy.

Oh, Abba Father, please extract now all final shards and shreds of that evil and ungodly device from this individual's humanity - spirit, soul, every portion of the body (not just the brain and spinal column), birthright and office.

Extract every mirror chronometer in the birthright and every alien birthright that comes with someone else's chronometer. We reject those, strip them away, and ask that spirit, soul, body, birthright and office would be rendered free of ungodly chronometers.

Now, Abba Father, we ask You to wash this individual's entire humanity with the Blood of the Lamb and with water from the river that flows from Your Throne.

Like Naaman, whose skin was restored to newer than new, better than the best skin he had even before the leprosy, may this person's humanity - spirit, soul, body, birthright and office, be purged to a degree beyond anything ever experienced before.

In so doing, may You be avenged against Your ancient enemy.

Then bring the salt of Your healing.

Restore all that needs to be restored, everything that was damaged by wrong timing, all the way down to the level of the atoms. In the molecules, cells, tissues, organs and systems of the body, let there be healing of all the damage caused by being desynchronized.

We pray this especially for those with Alzheimer's. Where a wounded or defiled chronometer has resulted in desynchronization, we pray for healing on this day. May each cell be able to synchronize in precise timing with other cells.

Finally, we ask Your Holy Spirit to anoint the spirit, soul, body, birthright and office where the new chronometer will be installed so that it becomes a suitable place for this heavenly device to be established.

When those processes are complete, Abba Father, we invite You to install Heaven's own chronometer, programmed and calibrated by You.

Psalm 139 declares that “...*all the days ordained for me were written in your book before one of them came to be.*”

There is a precise time line that is unique to each individual, but it is also synchronized with the master clock of Third Heaven. Abba Father, You are precise in time in Your dealings with us.

- ◆ The exodus happened at a precise time.
- ◆ The crucifixion happened at a precise time.
- ◆ The resurrection happened at a precise time.
- ◆ The calling of the apostles was at a precise time.
- ◆ The Second Coming is such a precise time that it is a secret held by You, Abba Father, a perfect point on the chronometer known to You and You alone.

You are the GOD of time. And You cause every individual to function rightly and to fit together with other individuals in precise time when they are in alignment with the timing of heaven.

We speak first to the body. As You settle the chronometer that is aligned with heaven and this point of time in history, we ask that it exercise dominion over the whole of the body, from the brain down through every vertebra of the spine, especially C4, T4, T8 and L1.

Through all the discs and spaces, let there be Heaven's imprint and cadence. Let every branching pair of nerves come into alignment with divine time. Let every organ be synchronized. Let the important **trilogy of brain, heart, and lungs** function in an algorithm that aligns with the Divinely placed chronometer.

Abba Father, bring this soul into alignment with the Third Heaven's time. Align it under the dominion of the Spirit. Let the Spirit be perfectly synchronized to the chronometer, properly adjudicating and leading the soul.

We ask You to weave this individual's time line together so that no strand is exempted from subordination to Heaven's chronometer. Let this individual's time be defined, even in the past, by Heaven's devices. The portion of time that has already been lived is not beyond Your redemption.

We ask that the chronometer from the Hand of YHWH would align and sanctify the past with all of its blemishes, pain, brokenness and places where we have rejected our time.

Reassemble this time line, we ask.

Allow the dominion of this chronometer to define time rather than it's being defined by the enemy's chronometer.

And going forward, Abba Father, into the future, position the chronometer so that the future time line is all going to be under its dominion, its speed defining the movement of time.

For the birthright that encompasses the world outside of us, we ask that it be forcibly brought into alignment with heaven's chronometer. Do not let it be running ahead or behind the chronometer.

1. For those who are single and **called to marriage**, we call into alignment the timing of that meeting.

Please forcibly thrust men and women from the places they've been hidden by the enemy and bring them together in divine appointments.

2. **Where couples are waiting for the child You have promised**, let the alignment of their sexuality and their reproductive powers be perfectly matched so that the child of Your choice is conceived from the egg of Your choice, according to Your predetermined will.
3. **For babies who are struggling to be born**, define the timing of birth as neither early nor late but precisely aligned with Your chronometer. May those births not be influenced by the moon or things of that nature but by Heaven's time.
4. For churches that need to be planted or need to die.
5. For businesses that need to open, expand or close. For the government institutions we interface with.

On every level of society, Abba Father, we ask that the chronometer You established within Your Covenant people, would force itself on the outside world.

Abba Father, neither Rome nor the Jewish leadership wanted Y'shua to die when He did. Yet His chronometer forced itself on the civil government and religious government of the day and they synchronized to the Third Heaven's time.

You imposed Your Will on the Roman Empire to cause a census to be taken before His birth and You imposed Your time on Mary and Joseph.

You imposed Your time on the world in every facet of Y'shua's life. And nothing the devil has can transcend Your will and Your time.

And so, we call forth the force of YHWH, executing His will through the birthright of His covenant people who are in alignment with His chronometer. Let the will of Third Heaven flow.

We pray as we've been taught to pray, *"Our Father, which art in heaven, hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven."*

And in the Third Heaven, Abba Father, Your Will is done on time, all the time, every time, with no obstruction to Your time. We call for nothing less for Your Covenant people.

As Your chronometer is established in our spirit, soul, body, birthright and office, let Your Will flow through us and impose itself on the outside world.

We lift up that great passage from the **Book of Daniel**: *A throne was set up. And the Ancient of Days came and sat upon that throne and adjudicated on behalf of His people because it was the fullness of time.*

For these, Your Covenant people who have embraced YHWH's chronometer and repudiated the enemy's substitute, we ask that the force of the Ancient of Days would roll like a mighty, unstoppable victory through the Body of Messiah Y'.

We pray these things in the Name of the Ancient of Days, of the King of Kings Y'shua and of our Intercessor the Holy Spirit.

Amen

A Righteous Cornerstone

In Western cultures, we use a compass to orient our direction from the point of north. But the Biblical framework uses east as its starting point. We still see it in words like orient and disorient.

Orient means east. If we are disoriented, we have actually lost our “east” rather than losing north.

The East is YHWH’s focal point. The tabernacle, temple and wilderness campsites were all oriented to the East. The magi did not come from a nation, government or institution but “from the East.” Y’shua entered Jerusalem from the East. His second coming will be from the East.

The Tabernacle and Temple were an analogy of Y’shua, Son of YHWH, the Word who “... *became flesh and made his dwelling among us*” (**John 1:14**). Y’shua Himself is the Cornerstone of YHWH’s building.

The cornerstone determines the horizontal orientation of everything else. Y’shua is the focal point, the standard, the established mark we build from, orient from, and are guided by.

Where the enemy has corrupted the cornerstone of the brain, we want YHWH to establish a righteous cornerstone that is oriented to the Cornerstone ... that is Messiah Y’shua. This next prayer addresses the cornerstone.

It is written for those who are in covenant relationship with Y’shua.

As you read, you are free to engage or disengage from applying these words to yourself by acknowledging with your will either “*I am only looking at this,*” or “*Lord, I am receiving this.*”

Prayer: Righteous Cornerstone

Abba Father, I come into Your presence now as a member of the royal priesthood according to the order of Melchizedek, on behalf of this child of Yours, who has a promise from You of freedom and dominion but has not yet experienced it.

We ask, Abba Father, that You would open the books from the beginning of time to the present and identify every place in the family line where the door has been opened to allow an ungodly cornerstone.

We ask this of the blood line, marriage line, adoption line and any other covenant line that has given the enemy legal right to tamper with the cornerstone in the brain.

We ask You to identify as well, every place in this individual's life where choices were made, covenants established, iniquity committed, or rebellion embraced that in part or whole contributed to the construction of an ungodly cornerstone.

We reject those things and turn away from them. We repent of the insult to Your majesty and Your right sense of order. And we plead, with gratitude, the sufficiency of the Blood of Y'shua to blot out our sins and cleanse us from unrighteousness.

We ask now that You would remove from this brain every demonic device that does not represent Your original design and was not placed there by You.

Any cornerstone that is not precisely and accurately linked to the Cornerstone, that is Messiah Y'shua, must be removed and destroyed. Any cornerstone that is not oriented in the direction of Heaven's master plan must be removed or realigned. We ask You to sever (in every direction) every line and spiritual tie connecting the ungodly cornerstone to any other ungodly cornerstone.

Leave it completely isolated. And disconnect this individual's spirit, soul, body, birthright and office from any ungodly cornerstones that exist, no matter where or how they were formerly connected.

We ask You to remove all the rubbish, darkness, pain and disorientation that was associated with this false cornerstone.

If any unclean spirit, internally or externally, is connected to, drawing strength from, or giving strength to an ungodly cornerstone, please send Your warring angels to remove that unclean spirit.

If any alien human spirits (internally or externally, shared, paired, or alone) are connected to this, we ask You to extract them immediately as well, with no recourse.

If the cornerstone was connected to any portals, we ask You to sever that tie. May we no longer be connected to, guided by, or resourcing any person, spirit or piece of land through an ungodly cornerstone.

If this individual has DID and parts loyal to the old cornerstone, we ask You to override their loyalty with the will of the core person who is present - not a religious part but the core person. Comfort them where they feel bereft of what they have considered their anchor point, but nonetheless override their will and remove the false cornerstone.

If there are any curses or covenants attached to this individual, or any agreements with death or Sheol, we ask You to nullify the curses and cancel the agreements. May there be no protection for this false cornerstone or for any unclean spiritual entities associated with it.

Finally, if this cornerstone has been associated with programming, particularly in the right ear, we ask You to break that chain. Break, break, break, break the neurological pathway that the programming has used so that it cannot touch any portion of the brain.

Let that pathway be pruned such that those neurons no longer exist. And if the programming trigger is sounded, let there be no response.

Abba Father, we ask that in Your mercy You would purge the amygdala - that portion of the brain that is the library where all of life's experiences are stored. Please neutralize from that vast file of data, all data associated with a wrongly oriented cornerstone that has led to inappropriate choices, experiences and emotions - even if we deeply believe those emotions are right.

We invite You, Abba Father, to override the guardian of the amygdala, to edit and censor everything You want corrected or removed - even if every portion of our humanity believes those experiences to be true. We acknowledge that heaven's truth transcends our beliefs and ask that Your truth be established in us.

Now, Abba Father, we speak that profound curse from **Psalm 9:6** over this ungodly cornerstone and the place where it was: Let even the memory of the name of that object be purged from reality. In this building where we are now, long before a building existed here, some kind of plant grew in this very spot. But there is no memory of it, not even its name:

- ◆ Was it a vine or tree?
- ◆ Poisonous or medicinal?
- ◆ There is no record of it, expunged from human history.

With that same savageness and severity, we are asking, Abba Father, that You would bring the holiness of heaven to bear on this location in the brain so that there is no trace even of the memory of the false cornerstone.

Please apply the Blood of Messiah Y'shua to that place to purge the spirit, soul, brain and birthright of Your child.

And apply the salt of healing to every place that has been traumatized.

In the appropriate time, we ask that the oil of Your anointing would sanctify that place that is meant to be a representation of Heaven's orientation here on earth.

We pray that glorious prayer, Lord: *“Your kingdom come; Your will be done on earth as it is in heaven.”*

In Heaven’s time, when cleansing, healing and sanctifying have taken place, we pray down from heaven, into this individual, heaven’s own cornerstone. The cornerstone You designed us to live according to, to walk according to, to experience and be guided by.

Place here the cornerstone that is uniquely crafted for this brain, that fits into the socket You designed, in precise alignment with the Cornerstone, that is Messiah Y’shua.

We ask that You would give the word - Command that it be settled there, established, anchored and sealed by the Holy Spirit so that it can never be moved, never be rotated and never be repurposed by any power of darkness.

Having calibrated the spiritual cornerstone that is a representation of Heaven’s own directionality, please, Abba Father, begin the process of weaving it into the whole of our humanity. You and You alone know, Father, what it represents. You know how to recalibrate. You know how to establish right order.

Let all the portions of our humanity - spirit, soul, body, birthright and office - be exquisitely aligned to the newly anchored, established and sealed cornerstone of Heaven.

Let the whole of this life come into alignment with Heaven’s own cornerstone that will not be moved.

We ask these things through the power of the shed Blood of Messiah Y’shua of Nazareth.

We ask in the name of the One who not only died, who not only went to Sheol to proclaim the new day and new triumph.

We ask in the name of the One who rose from the dead with a glorious new Covenant, a better Covenant that is for the renewing of all things.

We lay claim on that Covenant, that Covenant of right alignment with the cornerstone of Heaven as part of our heritage. In Y’shua’s glorious Name we ask this.

Amen

A Righteous Gyroscope

Where the cornerstone relates to horizontal orientation, the gyroscope expresses vertical orientation.

From the perspective of the powers of darkness, there is a tremendous battle for whether we will be oriented up or oriented down.

The New Age field of energy medicine, for example, teaches that you are grounded from your tailbone to the earth, and you draw strength from the earth that flows up through your body. Hindu chakra points flow upward. Freemasonry builds on 33 vertebrae, progressing up, until you become a god at the top.

Movement is from the earth upward. This is the orientation of the world's gyroscope and the devil's gyroscope.

YHWH's gyroscope is very different. Messiah Y'shua is our Head. He is our covering. And life flows from above, down through our bodies to our feet, which can sanctify the land we walk on rather than absorbing defilement from it.

The ungodly gyroscope fits, then, in the broader framework we have observed of the Egyptian heresy in which there is a reversal or twisting to make the opposite of everything YHWH is and has established.

In the glorious vision of **Ezekiel 1**, the cherubim take their position below YHWH's sapphire Throne. Wheels within wheels have eyes all around. The passage specifically notes that the spirit of the cherubim was in the wheels.

Similar to the presence of the cherubim's spirit in the wheels, we see the Holy Spirit associated with intense motion elsewhere ... hovering over the deep at creation, descending like a dove at Y'shua's baptism and coming down with tongues of fire and rushing wind at Pentecost.

This third prayer focuses on the removal of an ungodly gyroscope, that we might move in synchronicity with a righteous gyroscope that is aligned with the Holy Spirit.

Let me reiterate that this prayer is only for those in Blood Covenant relationship with Messiah Y'shua. You are free to read through without engaging. Simply let YHWH know that you are only observing. You are also free to lean in and tell the LORD that you want to receive this cleansing.

Prayer: Righteous Gyroscope

YHWH, Most High, righteous Judge of the universe and also our loving Abba Father, I come to You on behalf of each individual who is reading this and choosing to participate in a cleansing process. I speak as an attorney on their behalf, a priest after the order of Melchizedek in Your Royal Priesthood.

I bring accusation against Your ancient enemy that he has leveraged the sin of mankind in order to establish an ungodly gyroscope or damage the gyroscope You originally established in this individual.

We own our responsibility of human actions. I ask You to open the books from the beginning of time to the present in every branch of the family line, blood lines, marriage lines, adoptive lines, and every covenant line - religious, civil or social. Wherever there has been an open door for the enemy, we include it today in our legal process.

The sin, rebellion and iniquity.

The covenants, curses, symbols and ceremonies that are found in the record. We bring all of these before Your throne, admitting heinous human sins against the Most High.

We acknowledge that we deserve to have the problems we have, because we and our forefathers have sinned.

At the same time, we claim the mercy that Y'shua offers us and apply the strength of His death, burial and resurrection against all that iniquity.

We ask now that in a single word from Your Throne You would blot it all out - including the covenants and agreements with death and Sheol - and that there would be no protection or provision left for Your ancient enemy and his minions who would seek to guard an iniquitous gyroscope in this person's brain.

We ask You, Abba Father, to cut off connection with gyroscopes in other individuals, gyroscopes on land, in the water, under the earth and in death and Sheol itself. Let there be a complete isolation of this device.

Abba Father, the spinning of this device has wound up many threads and strings of other people's lives. For all the mass of threads around this ungodly gyroscope, we ask You to sever, sever, sever, sever. Dismantle, detach and isolate this gyroscope from the movement of other human beings and of other spirit beings.

Leave it disconnected from people and from the forces below.

Abba Father, remove every demonic guard and any alien human spirit that may be attached that is shared or paired with any other device anywhere else in the world. Strip it away.

- ◆ Remove, in full, this device from spirit, soul, brain and birthright.
- ◆ Remove any mirror image of it.
- ◆ Remove any substitute and any backup.
- ◆ Remove the whole of everything that did not come from You, was not designed by Your hand and is not a blessing from You to this individual. Pull it out by its roots.
- ◆ Remove the very deepest roots that go down into death and Sheol itself.
- ◆ Purge this individual's spirit, soul, body, birthright and office.

We ask that You apply the Blood of the Lamb - the Blood of the New Covenant that is not a covenant with death - to cleanse all the portions of this person's humanity. Apply the salt of healing to the deep wounds that have resulted in the brain by the extraction of this device.

Break all programming that triggers the ungodly gyroscope and calls it back into existence, as well as every facsimile of it.

We ask You to break, break, break, break the unholy neurological patterns and prune the synapses that have been used for this so that every trigger remains useless when it lands in the ear or eye gate.

Bring the oil of the Holy Spirit to sanctify the place where YHWH's own gyroscope is supposed to be established, a different place and a different positioning than the devil's gyroscope.

Abba Father, we lift up to You the majesty of the picture we have in **Ezekiel 1** of the wheels within wheels that moved at the speed of light, surrounded by eyes all around so that there was no backside where vision was obscured, no lack of peripheral vision.

There is sight everywhere, all the time. They move in perfect synergy and synchronicity with the Spirit and with the cherubim as flashes of lightning come and go.

That picture is magnificent. We ask that with the same magnificence You would settle the gyroscope in this brain where it belongs and begin it spinning in the right direction with the right speed.

May Your life flow in this individual, like the river from Your throne, flowing down from heaven into this spirit, soul, body, birthright and office. In defiance of the enemy's heresy that seeks to twist and reverse Your ways, we invite You to establish the proper flow of movement in the fullness of this individual's humanity.

May it be a beautifully synchronized dance in partnership with the Holy Spirit.

Now, Abba Father, I appeal to You on the basis of Your concept of proportionality. You alone know whether the individual reading this is young, midlife, or approaching promotion to heaven. I present to You the progression of proportion in the nation of Israel.

There was a time when they did not worship You in any building at all. Abraham, Isaac and Jacob built altars in different places. But there was no permanence in the shape of their worship. In the long period of Egypt, there was no building.

At the Tabernacle, You established a building with precise proportions. The Holy Place was twice the size of the Holy of Holies. There was a two to one ratio. This proportion was appropriate for the nation of Israel at that point in their maturity.

Centuries passed. The tabernacle was relegated to history, and You designed a Temple in the Third Heaven and gave new proportions for a new chapter in Israel's history. The proportions structured the Holy of Holies at two units and the Holy Place three units, a three to two ratio instead of a two to one.

Abba Father, I don't understand those proportions. But I know that as we go further to the ultimate Temple, the New Jerusalem, it is now cubic. There is only the Holy of Holies. There is no Holy Place, much less an entrance to the Holy Place.

I present to You this progression of proportions and ask that for this individual You establish the correct proportions among the devices in the brain that will be appropriate to this stage of life and spiritual journey toward You. Messiah Y'shua, the Cornerstone, is the same proportions yesterday, today and forever.

But I ask that the devices in the brain of **chronometer, cornerstone and gyroscope** be proportioned exactly as You would have it, in alignment with this person's journey with You.

Abba Father, we ask You to bring the whole body, soul and birthright under subordination to these three divine devices.

Let the **chronometer, cornerstone and gyroscope move in dominion**, creating new patterns in every fractal of the human body.

May they create **new rhythms, new cycles, new orientations**.

Let the Government of YHWH be established in this body and every other portion of this individual's humanity through the chronometer, cornerstone and gyroscope that are definitive in their expression of the Trinity.

Now seal these things, Holy Spirit, so there can be no tampering by Your ancient enemy.

We ask this in Y'shua's Name.

Amen

Eastern (Russia) vs. West Programming

Here are some thoughts on the difference between Western and Eastern (Russian) programming..

First of all.. in the West, the cult has a lot to do with the royal families.

This was also the case in Russia in the past, but not anymore because the Romanov dynasty is no longer in power. So, the Russian survivors will have royal (Romanov) blood mixed with other highly placed people, or mixed with royal families from other countries.

Second: Russian cult is WAY more MILITARY than the West. I hesitate to write this, but in a sense the Russian cult is more harsh (general speaking, because of course everywhere its terrible!!). They are also VERY focused on **strategy** - using their intellect.

Because it's more military, one of the differences is that Russian cult is more about BLOOD and Western more about SEX (at least how I view it).

Everywhere is bloodshed and rape, abuse etc. But if I compare myself with other survivors I can definitely see a difference in their training/programming and mine.

Both blood and sex, are ways for satan to destroy and to defile (and to go against God's will!), but it's just in a slight different manner how they use it.

Let us say: both in West and Russian cult are rituals to honor satan and to challenge/defy God, to take an example.

In Western cult they will both use blood and sex in the ritual to come against God, with the emphasize on sex (to gain energy for the evil guys).

In Russian cult they will also do rituals with the same goal, but there's more the emphasize on the bloodshed to gain energy for the evil guys, than the sex. But both will be there, in both camps. Hope it makes sense. This is just an easy example to explain.

And together with the bloodshed comes STRATEGY and BRAINS. Strategy and brains are also VERY important in the Russian cult in their preparation for the antichrist coming. They are doing everything they can to prepare for the false morningstar to come, the king of the North..

What happened behind the iron curtain

There is lots to say about Russia and what happened behind the iron curtain. We are still doing more research on this, but already wanted to mention the importance of the influences of the Russian cult.

Exactly because the bloodshed is so important to the Russian cult, they do this a lot. Russia was the first ever nation that legalized abortion in 1920!!

Also, estimation is that 26 million Sovjet Union citizens died during the 2nd world war.

North Pole vs Antartica

Well, I can tell a bit about North Pole but I don't know a lot about Antartica, so I don't know if I can really share the differences..

Plus I just started to discover what my parts have been through in the North Pole.

Big Dipper and Little Dipper - Big Bear and Little Bear

But what I can say is:

At the North pole they have bases where they do lots of experiments (just like in Antartica). They are partially underground but there are also camps that are not hidden under the ground at all. Scientists there are researching polar ice, etc.

But in reality, a lot of research is also being done into frequencies, electro magnetic fields.

There are parts of MANY survivors in the North Pole. Stuck to be experimented on.

Basically about frequencies and electro magnetic weapons.

Experimenting how they can use this in both seen and unseen wars. (both physical and spiritual realm). Both the East and the West are doing research on this, they are competing each other.

Because Russian cult is very much military, they started to use frequencies already decades ago in navy & space programming. They have an emphasis on both SPACE and NAVY.

Survivors have reported being trained with dolphins and whales (the Beluga whale) and have to learn how frequencies work under water.

<https://time.com/5582694/russian-spy-whale-history/>

The discovery of a beluga whale in Norwegian waters that may or may not be working for the Russian navy has captured worldwide attention.

Norwegian fisherman spotted the marine mammal on Monday wearing a GoPro camera harness with a label on the inside, written in English, "Equipment of St. Petersburg."

The find alarmed Norwegian officials and led to speculation that the mammal may have been trained to spy for Russia. There is "great reason to believe" the whale was being used by the Russian navy, Martin Niuw from the Norwegian Institute of Marine Research, told the Norwegian broadcaster NRT.

There is not yet conclusive evidence about where the whale is from, but that explanation for the whale's origin is "entirely plausible," says Gervase Phillips, a history lecturer who studies the military use of animals at Manchester Metropolitan University.

The Russian defense ministry has denied having a program that uses marine mammals, the Guardian reported.

That hasn't stopped locals from joking that the whale has since "defected" to Norway; it is refusing to stray more than a few miles from the northern harbor where it was discovered.

If the whale is indeed a Russian spy, as speculated in headlines around the world, it would not be the first marine mammal drafted into military service. Here's a history of whales, dolphins and other creatures that have been trained and deployed by militaries in Russia and around the world.

The Russian navy's history of using dolphins, whales and seals

In the 1960s, at the height of the Cold War, the Soviet authorities reportedly trained beluga whales, dolphins, sea lions and fur seals to search for underwater mines and other objects.

Both with the aim of creating a large army of parts of survivors, for when the antichrist comes (king of the north). These bases are funded by the oil, gas and mining industries.

Russian cult

You wouldn't expect but **Russian cult** has a lot of connections with the **Buddhist monks**.

The high positioned Russian monks (that are cult!!) from the Russian Orthodox church go to the nephilim to receive training in the same way as the Buddhist monks.

There they learn to levitate, how to spread darkness/hatred etc. Actually it's very interesting to see the connection between Russian and buddhist monks!!

To be short: Russian orthodox church is just a cover, a FALSE christianity that may look 'christian' from the outside but it's pure evil and satanic.

Russia has 150 million people that almost all consider themselves to be Russian orthodox believers. Its so sad that they are all deceived..

Tantric Sex (or sex magic)

Conversations with a Survivor / Overcomer

Tantric sex can be used for so many purposes. That's why you won't be able to find a lot on regular websites. It's a pretty well-kept secret.

It also comes with ranking. The higher up you get, the more skilled you have to be at that kind of stuff. You even have to fight others.

It's not just about the sex, it's about the energy. Sexual energy is one of the most powerful forms of energy that there is.

For example, you would have a battle/competition. The first one to orgasm, loses. All the energy then goes to the one who didn't orgasm.

If you are in a battle for hours or days trying to get the other person to climax, you can get so much energy from that other person that they can die (sucks out all their energy).

It makes you very powerful as you get all that energy and you move up the ladder.

The programming and learning of these skills start very young.

It's not pretty. I used to program/teach children this kind of stuff, but it's one of the most important skills to move up in ranking.

I knew this kind of sex was part of it but not aware of how to do it. As I continued to walk in healing, more memories came up.

In order to help others, you have to get to the less pretty memories to be able to explain things.

Recently I've been getting info from my programmer parts learning how the programming went, how I did stuff with little kids, etc.

I don't like these kinds of memories, but it does help to share them in order to help counsellors and other survivors get a deeper level of understanding of how things work.

How do you research this topic?

It's a difficult topic to research – very triggering. I've had times I couldn't do research because I would go off. Just reading the articles triggers you instantly into that kind of feeling. The demons/entities challenge you.

It's such a spiritual thing as well which makes it so difficult and often the websites you get your research from are charged as well. Usually I pray before I do that kind of research – it sometimes seems like it doesn't work. I talk with my counsellor and we work through it. Now I can do research and it doesn't bother me.

Triggers can be anything – emotional, sexual, etc. I used to get so angry... I knew this had to be the research because there was no reason for me to be this angry

When does tantric sex training begin - at 3 months or earlier?

Three months isn't late at all. But with the younger generation, growing up in artificial wombs, the sexual training starts in the womb.

Difference between Conditioning and Programming:

In the first few years you are being **conditioned to sex** in all kinds of way.

Parts get conditioned by depriving them of basic needs and confusing them with what is normal and what isn't.

Conditioning is like preparing the ground for programming. They put in behaviour and reactions to situations which is the foundation to begin programming.

For example, with food, a normal baby will cry when he is hungry. When a child is refused food when crying and punished instead – the child will stop and then it is given food. So, the child will get used to not crying when hungry because it doesn't work anyway.

With programming teach a part specific skills based on what is already in the subconscious mind through conditioning.

If you take a child that has been made addicted to sex or orgasm for example, they can use this part to program it into a sex kitten. The program is based on the desire of that child.

Conditioning a child with the desire to feel power or to 'not feel powerless,' you can use that feeling to program a part to use sex as a weapon and how to extract information from the person they are having sex with. They learn how to be seductive to make a man or woman do whatever they want them to do.

Parts trapped in orgasm, parts getting addicted to a penis, addicted to women/mother, etc., but you also have parts that are being conditioned to being used to sexual stimulation that isn't physical

- ◆ It starts at a very young age.
- ◆ It's not programming but just them getting little children used to these kinds of things so that when they are programmed, they can make the switch from being conditioned into the programming.

So, in tantric sex the conditioning could be that I had learned that sexual pleasure is a comfort. Now, let's say that I grew up with a friend in the cult. When I saw that she was sad or hurting because of what they did to her, I would try to comfort her in the only way I knew, i.e., sexual comfort.

But if I was tied or caged and she was in another cage, I couldn't get to her, so I learned how to give sexual comfort by sending my energy to her so that she would get the pleasure I thought she needed.

This was the beginning of learning tantric sex.

Virtual Reality in Programming using Tantric Sex as an Example:

When you are of the younger generation, they do **virtual reality**:

- ◆ You believe you are in a world that can be anything they program (a game, movie, room, etc.) and your body can be doing whatever.
- ◆ In your mind you are perceiving everything that is happening as if it is reality.

The upside for the programmers is that they can do anything that can normally not be done because you would die. For example, with drowning or stopping your heart you can be resuscitated in real life but not if they cut your head off (however, in virtual reality they can reconnect the head).

Your body will register it as a true event, but it happened in a virtual world.

They use this to program for everything – they do it for tantric sex too.

Tantric sex has a lot of aspects and I can't explain it all to you now, but I will explain the version that is most used to climb up in ranking: **Tantric sex as a battle**

As I said before, the idea of this kind of battle is that you are not the first to reach orgasm. This is not just a decision of the will, because once you almost get to the point of climax your survival brain will take over and that part of your brain really doesn't care about the will decision you made. So you have to come up with a strategy to prevent your survival brain from taking over.

Obviously you have **the offence**.

They teach little children how to visualize the objects that they would use to stimulate another person. However, the other person doesn't see it, they only feel it. This is how the child is trained to stimulate another person without physical contact. While in a battle you would use this, as well as other psychic skills that you learn as you grow up.

The defence however is maybe the most important one, because you lose when you are the first person to climax.

It is much more than just resisting to climax.

You have to be able to contain that energy. So, you need to build a very big container to store the energy in. When the container is full, that is when you climax.

What they would teach you is to build little containers that are connected to the big containers that can be used so it takes longer for the big container to fill up.

Some learn to put it outside the body, some inside the body (near the liver, etc.).

The thing that is happening is that you are focused, so you have to be alert all the time. You can't just focus on the attack, because you have to redirect the energy all the time as well. If you are really skilled, you can even transform the energy that you are storing away in energy to attack again, but that is on a whole other level.

The other difficult thing with tantric sex is that you have to connect at a certain level – because it still is a sexual thing.

It is a different way of connecting than just at the physical or emotional level. This is why tantric sex is so powerful because you are connecting in a very deep way.

If I was fighting another woman, I would have to find out what makes her tick, what is she sensitive to and how do I get her to a vulnerable place to get her to climax first.

- ◆ I have to read her and try to find out did she build more containers and where are they?
- ◆ Can I block them so that she cannot store her energy?

I would try to destroy the pathways that transport that energy.

At the same time, I would have to be very alert because she is trying to do the same things to me. I would need to have up shields and decoys to block her.

How to let go of your Presenter and get to your parts:

Do you have any suggestions on how to lay the presenter aside?

You can start with letting things go with people you can trust like with your counsellor and say to her that you don't like her at times. Most likely your counsellor would respond with, *"Oh, really, who is saying that?"*

That is how you acknowledge that you have parts that don't like her and giving them the way to express themselves.

If your parts had to put money on it, they would say that you aren't to be trusted. You have to build trust and have to give them the ability to express themselves. It is very hard.

I would **start by giving voice to what I think.**

As I talk, I find myself stepping back and the part coming forward. I'm usually aware that it is happening. My counsellor usually sees that it is happening and will draw it out by triggering it. I'm always co-conscious. There is a very subtle change of me being in the front to going a bit more in the back – that's usually when my voice changes and my facial expressions change with it.

For example, I would just tell my counsellor that "I don't really like you". She can see that I'm uncomfortable with it and would challenge me to just let it come, she can handle it and won't judge me.

In the beginning I would just voice what I hear (“I don’t like it that you take away my feeling of security”) and she would ask questions and talk to me like I’m not even there.

The most important thing is that I have the guts to allow it to happen.

It’s not easy especially when there are parts that have been up to things you don’t like or have difficult memories.

You get used to it in a way but not completely – it’s kind of weird.

You have to build trust with your system – that it’s okay for them to come forward.

For me it was easier to do that with someone present rather than when I am alone.

What if you can’t do it on your own or with my counsellors?

Only one time I had a little part up and the presenter couldn’t come up at all – that was scary. Sometimes it’s like that – scary but you have to trust God.

If you’ve done the suicide petition, nothing will happen, and you have to trust.

It helps me to make statements.

For example, I used to drink a lot. I still enjoy it, but I’m not addicted to it anymore. I would feel like I need a drink (or 10), my natural response was to push it away or ignore it, but I had to learn ways to deal with the desire...

What I found helps is to let a part come forward and **write down the statement, “I want to drink because...”**

Then just start writing what comes up – it often begins with thoughts and emotions.

As you keep digging, you will get beyond your presenter and find what the real reason is.

If you make statements like that you force yourself to look at it and go through it. As you go through it you are either too tired and ready to go to bed or not wanting to drink anymore.

It is a skill you have to learn. You can train yourself in it.

A Conversation about Female Nephilim and Spirit Babies

Female Nephilim: What are they and what do they do?

Most Nephilim are male. They are the dominant ones; they do most of the programming, etc. But there are also female ones. In every order of Nephilim, you will have male and female. The females will bring in the female aspect that is needed. If you grow up with the Nephilim, you need some kind of female in your life. It's one of the ways that they want you in an unhealthy way.

For example, there was a female Nephilim called Diana who posed as my mother. I believed I was a Nephilim myself; she was my mother and we lived in the underworld. Their way for me to wilfully submit to death was to have her cry out to me, "I need you, want you, miss you, come visit me." So, I would submit to death to go visit her in the underworld even though it was so bad and traumatic to be there, it was also where I bonded to one of the few mother forms that I knew.

That is where they bring in the female Nephilim, female warriors, female mothers... mermaids... They bring in the female aspect that males cannot.

What does it mean that the female Nephilim (ant) said, "I am the Queen and the baby is mine?"

There are a few things that could be going on:

This can be a part of your humanity that believes it is a Nephilim (and has a baby that she is trying to possess or keep to herself).

The ultimate objective that the cult has for you is that you lose your sense of humanity and believe that you are unredeemable. If you believe you are unredeemable, you aren't going to look for salvation.

People tell you; you can be saved by Jesus, but you won't even go there because that is for other people, not for me.

There will be parts of each survivor that truly believes that she is unredeemable and can't be saved.

It's those parts that are fully operating in the victimizing realm. Because if you aren't redeemable it doesn't matter what you do. There is no judgement that can get to you because you are unredeemable. If you are going to burn in hell anyway, what does it matter?

It is those parts that need salvation the most. It's also those parts that you are going to feel the most resistance to – because it is so far from your humanity.

When they come forward ... I remember that I didn't care about killing human babies, I could snap _____'s neck and not feel guilty about it (and this person was the most precious person I could think of at that time).

Those parts are so far away from anything that is human that to convince them that there is salvation is possible – only Y'shua can do that.

It can also be that **it is an actual female Nephilim that has part of your humanity in captivity.**

So the nephilim is shielding a part of you, most likely the part that represents your New Birth Identity.

Or could be a little bit of both. For example, you have the Nephilim Nimrod on the outside that programs you and has part of your humanity in captivity, but there may also be a part of your humanity called Nimrod that was created within as an internal programmer (a copy of the outside perpetrator).

Can nephilim procreate?

As far as I know, Nephilim are unable to procreate humanity. They can have their own weird looking monsters that are like babies to them but if you get a Nephilim human from a sexual union between a fallen angel and a human woman – a Nephilim baby comes from the union.

That Nephilim is unable to procreate with a human. So, you have the fallen angels producing Nephilim with women.

I was addicted to my Nephilim sons like crazy, but I didn't have babies with them – I had spirit babies but not physical ones.

The Nephilim women have the Jezebel, queen, or mother aspects – can be like feminists. They despise males usually.

Part of me grew up with the queens of the earth – so I had a very strong lesbian part that was part of a female secret society where these queens are. Part of my programming was to give them the power that they needed to do their thing.

I thought Nephilim looked like people, how can they look like other things?

On the level of royal bloodlines, you will have high up fallen angels having sex with human women – what comes from that is a human looking being. But it's able to shape shapeshift into anything it wants.

For example, my son could shapeshift into a grown man I could have sex with, a little baby that I would care for, or a snake that would reside in my womb. He could be anything he wanted but mainly he was a human being.

If you have lower angelic beings – some would have sex with women but with lower beings coming from that union.

Nephilim are very hierarchical – if you have fallen angel of a very low-level having sex with an animal – you will have a chimera type being.

There are Nephilim beings or hybrids that you can't describe with words – how would you describe an ant-like being with a cognitive ability that is beyond any human one? Its energy oozes so much evil that you are afraid of it. Contradiction in every way. Like a different world. In our world we are the ones who step on it and it's dead, but now it is as if you enter as a bacterium into the ant world where the ants are the rulers and the smart ones, and you are the bacteria that they stand upon.

I never thought I was part of an ant – but I loved the ant that had the baby in its arms – I didn't want to give her up.

This shows you are attached/bonded to it. It might be one of the only beings you ever bonded to – you believe that it holds something that belongs to you – if you betray that being, you lose something that is part of you, so you are loyal to it.

I broke the loyalty because, I recognised it was not of God, it was evil. I renounced it. But my counsellor said that if it has come up again, something hasn't resolved. I was surprised to see this ant – it's been years!

You as presenter can renounce it but if there was a part of you that was loyal to it...

With me, I had renounced my loyalty to some one, but at some point he showed up with 2 of the children I had with him. My mother heart wasn't going to give up these children so easily. So even though I had renounced my loyalty to him in my presenter, this part of me that was the mother was like, "Hold on a second!!" That's how he tried to keep his hold over me.

So that part of me has seen one of my children murdered by him and others – I had to choose to accept that there was nothing I could do. It didn't make me powerless. God could have intervened, but He didn't. I saw how my daughter was murdered in front of me. It sounds a bit short and dry now, but maybe that's a story for another time.

Point is that this was when my deepest loyalty to that person was broken – I was able to trust God with the life of my children. Even though it was the hardest thing to do, it was necessary

God used this opportunity to show me that He is faithful and that I don't have to be loyal to that person to live.

For you as your presenter could have broken your loyalty to the ant figure but there could be a part of you that is like, "Oh no, I'm not letting go of it!!" that part of you has to come to Y'shua and see that He is the only One who has the final authority to know what needs to happen with the baby.

Spirit babies: What are they? How do you have them?

Difficult to explain because it is so outside of what is logical.

In the spirit realm there is an infinite number of interpretations of principles. In the spirit world the color red can mean different things – blood, sex, strawberries etc..

So spirit children can be like a concept. Like when I finished my research on a topic and I felt like I gave birth to the product... I didn't mean literally that I gave birth to a baby but to a concept or something that will have an impact on others. Like that you can give birth to a form of energy that impacts others, a region, a country, or a continent.

Another possibility is where there is a ritual with an entity or fallen angel, or a ritual that is so charged that there is an actual **product or fruit**.

Depending on the ranking of the entity that you would have that form of intercourse (could be physical, tantric or like a ritual) producing energy that takes the form of a baby or a child or a product or fruit.

For example, I had a very disgusting picture that shows this (see picture on the right). It is so visual that you don't need a lot of fantasy to see what is happening...

When it comes to spirit children, you give birth on another level – not a human, Nephilim or hybrid baby with a life form but it's connected, and it has a specific purpose.

It can manifest to you like a baby that you care for but in reality, it is a concept that is being pushed by the NWO agenda – it can mean that through a ritual you had a sexual encounter with an entity and the fruit of it is a concept that the NWO wants to push. For example, look at the agenda being pushed with Black Lives Matter, climate, COVID, etc.

It's like many women in the cult when they look at these concepts, they will see a child that they care for. Every time they are being confronted with it, they see their child and they want to feed it, made it stronger.

This is where more rituals happen, and they are more committed to that child. That is one aspect of having a spiritual child.

Nephilim spirit children

Nephilim spirit children are born in many villages and live among the tribes - they have supernatural abilities and are feared by many.

The Unpardonable Sin

It is often asked, what is the unpardonable sin?

Is there even such a thing?

Jesus, His Hebrew name being Y'shua, mentions this concept in **Mark 3:29**, **Matthew 12:31** & **Luke 12:10**.

Mark 3:29 *“but he who blasphemes against the Holy Spirit never has forgiveness, but is subject to eternal condemnation”*

Matthew 12:31 *“Therefore I say to you, every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven men.”*

Luke 12:10 *“but he who blasphemes against the Holy Spirit never has forgiveness, but is subject to eternal condemnation”*

You may have heard of something called the “unpardonable sin” before. Y'shua used phrases like:

“never has forgiveness” and *“is subject to eternal condemnation”*.

So please keep in mind, it is not us saying that there is a sin that is unforgivable, but our Messiah Himself.

This is where the phrase “unpardonable sin” or “unforgivable sin” originates.

Where was Y'shua getting this understanding?

Was He teaching something new?

First, we need to define some words.

Mark 3:29 *“but he who blasphemes against the Holy Spirit never has forgiveness, but is subject to eternal condemnation”*

We will discuss the Holy or “set apart” Spirit in context a little later. First, let's define what it means to blaspheme.

To blaspheme means to **“revile”** or **“despise.”** For example, Paul used the word for blaspheme here:

Romans 2:24 *“For, as it is written, “The Name of God is blasphemed among the Gentiles because of you.”*

Paul was referring to:

Isaiah 52:5 *“Now therefore what have I here,” declares the LORD (YHWH), “seeing that My people are taken away for nothing? Their rulers wail,” declares the LORD (YHWH), “and continually all the day My Name is despised.*

You can see here how the word blasphemed in English really means to “despise” or “revile” Hebraically.

Mark 3:29 *“but he who blasphemes against the Holy Spirit never has forgiveness, but is subject to eternal condemnation”*

So Y'shua is speaking of an individual here that is against the Holy Spirit in such a way that he “reviles” or “despises” the **purpose** of the Spirit.

Thus, it would be important to discover the **purpose** of the Spirit.

Before we go that route, we need to ask ourselves, where is Y'shua obtaining this understanding? Is this something new? Is this a new doctrine?

We know that Y'shua did not speak His own words, but spoke the Father's words.

John 14:24 *“He who does not love Me does not keep My words; and the word which you hear is not Mine but the Father's who sent Me.”*

John 14:10 *“Do you not believe that I am in the Father, and the Father in Me? The words that I speak to you I do not speak on My own authority; but the Father who dwells in Me does the works.”*

So if Y'shua is not speaking His own words, we must find it somewhere in the Torah.

It is found in the Torah.

Numbers 15:30-31 *“But the person who does anything presumptuously, whether he is native-born or a stranger, that one brings reproach on (YHWH) the LORD, and he shall be cut off from among his people. Because he has despised the word (YHWH) of the LORD, and has broken His Commandment, that person shall be completely cut off; his guilt shall be upon him.”*

A person is cut off from Israel in the case of acts of willful and intentional sins, thus proving that their heart is not after Yahweh, Who is the Word of YHWH, but instead after themselves, the flesh.

The one who thumbs their nose at YHWH in disobedience exposes their heart and lack of faith.

They in fact, are determined to despise the Word, thus not practice it, therefore the guilt of their sin is still upon them, and not forgiven.

“that person shall be completely cut off; his guilt shall be upon him.”

Just like Y'shua said:

“never has forgiveness, but is subject to eternal condemnation”

Now we see how Y'shua is simply teaching what the Torah already declares as truth.

The author of Hebrews extrapolates to the same conclusion:

Hebrews 10:26-31 *“For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins, but a certain fearful expectation of judgment, and fiery indignation which will devour the adversaries. Anyone who has rejected Moses’ law dies without mercy on the testimony of two or three witnesses. Of how much worse punishment, do you suppose, will he be thought worthy who has trampled the Son of God underfoot, counted the blood of the covenant by which he was sanctified a common thing, and insulted the Spirit of grace? For we know Him who said, “Vengeance is Mine, I will repay,” says the Lord. And again, “The LORD (YHWH) will judge His people.”*

It is a fearful thing to fall into the Hands of YHWH.

But, we might ask, how does what Y'shua said about the unpardonable sin, fit in with rejecting the Word of YHWH by refusing to do His Commandments, as described in **Numbers 15:30-31**?

Note how Y'shua, and Hebrews, focuses on the Spirit in those verses.

It is all about insulting the spirit, or rejecting the spirit, or really, the whole purpose and point of the Spirit.

Remember what we discovered earlier, that blaspheming the Spirit is to “despise” or “revile” the Spirit.

In **Hebrews 10**, a few things should stand out:

For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins and anyone who has rejected Moses’ law dies without mercy.

That is the connection.

Somehow, rejecting the spirit is related to rejecting the Law of YHWH, and intentionally sinning.

So, it would be important to know the point and **purpose** of the Spirit as it relates to sin and the Law of YHWH.

We know that the **purpose** of the Spirit in the New Covenant is to point us to the Law of YHWH:

Ezekiel 36:26-27 *"I will give you a new heart and put a new spirit within you; I will take the heart of stone out of your flesh and give you a heart of flesh. I will put My Spirit within you and cause you to walk in My statutes, and you will keep My judgments and do them."*

This is also confirmed by Y'shua when He said that the Spirit will lead us into all truth...

John 14:17 *"the Spirit of truth, whom the world cannot receive, because it neither sees Him nor knows Him; but you know Him, for He dwells with you and will be in you."*

John 15:26 *"But when the Helper comes, whom I shall send to you from the Father, the Spirit of truth who proceeds from the Father, He will testify of Me."*

John 16:13 *"However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak; and He will tell you things to come."*

... and we know that the truth is the Law of YHWH = The Torah.

Psalms 119:142 *"Your righteousness is an everlasting righteousness, and Your law (Torah) is truth."*

Thus, when we sin intentionally, sin being breaking the Law of YHWH (**1 John 3:4**) we are actively and intentionally rejecting the Word of YHWH, the very same thing we are to have faith in.

This should not be too surprising both Biblically and logically.

Our faith is to be in the Word of YHWH, which is what Y'shua claimed to be (**Revelation 19:13**).

We cannot claim we have faith in the truth of the Word of YHWH, and live our lives against it in practice (**James 2:17-20**).

This is why the author of Hebrews prefaces his conclusion in **Hebrews 10:26-31** with those *"who have received knowledge of the truth"* ... meaning that some have not received knowledge on every instruction in the Word of YHWH, so they have not had an opportunity to accept or reject it, which is observed in willful obedience or disobedience.

We must not forget that our Messiah also referred to himself as the Word of YHWH (**Revelation 19:13** / **John 1:14**) and that to actively and intentionally reject the Word is the same as rejecting our Savior.

This is different than accidentally rejecting the Word of YHWH in ignorance, and teaching the same.

That is still possible in the faith, under the umbrella of deception, yet within the parameters of still retaining a true desire for the Word of YHWH.

To such, we will either be least or greater in the kingdom in the same degree we were in accidental error. Y'shua teaches on this in **Matthew 5:17-19**.

Y'shua was teaching directly out of Torah again, speaking of:

Numbers 15:22-29 *“If you sin unintentionally, and do not observe all these commandments which the LORD (YHWH) has spoken to Moses - all that the LORD (YHWH) has commanded you by the hand of Moses, from the day the LORD (YHWH) gave commandment and onward throughout your generations - then it will be, if it is unintentionally committed, without the knowledge of the congregation, that the whole congregation shall offer one young bull as a burnt offering, as a sweet aroma to the LORD (YHWH), with its grain offering and its drink offering, according to the ordinance, and one kid of the goats as a sin offering. So the priest shall make atonement for the whole congregation of the children of Israel, and it shall be forgiven them, for it was unintentional; they shall bring their offering, an offering made by fire to the LORD (YHWH), and their sin offering before the LORD (YHWH), for their unintended sin. It shall be forgiven the whole congregation of the children of Israel and the stranger who dwells among them, because all the people did it unintentionally.”*

And if a person sins unintentionally, then he shall bring a female goat in its first year as a sin offering. So the priest shall make atonement for the person who sins unintentionally, when he sins unintentionally before the LORD (YHWH), to make atonement for him; and it shall be forgiven him. You shall have one law for him who sins unintentionally, for him who is native-born among the children of Israel and for the stranger who dwells among them.

Those in unintentional sin were still considered to be a part of Israel, yet sacrifice (Y'shua prophetically) covered them.

In **Matthew 5:17-19**, Y'shua coupled this understanding with the knowledge of how our eternal rewards would be disseminated to us in the end in the Kingdom, one part being obedience to Yahweh's voice and instructions, (meaning the Law of YHWH) and the other part being how we used the resources and gifts we were blessed with to further (or to not further) His Kingdom.

The conclusion is this, there is a sin that is unpardonable. It is the continuous rejection of faith in the Word of YHWH by intentionally ignoring what the Word of YHWH says.

This is the same mistake made in the wilderness after Mount Sinai, and the same mistake we are all encouraged not to repeat.

That you can read in **Hebrews chapter 3** and **Hebrews chapter 4**. If you would like you can see our respective teaching, **Hebrews 4**:

In His Rest Now or Later?

Now this is important. When we speak of intentionally sinning we are not talking about a one time instance.

David committed murder for example. Solomon engaged in all kinds of sins. So did a lot of other people. All of these sins could fall under the concept of premeditated and intentional.

But that is not what we are talking about here.

We are talking about habitual, willful, and intentional sin that is the result and evidence of despising the Spirit of YHWH. It would be defined as actually hating the Law of YHWH and having no regard for it at all.

It is the opposite of faith and repentance. This should make sense, because it is faith and repentance that is what affords us forgiveness.

- ◆ How can we be forgiven if we despise and revile the Word of YHWH?
- ◆ How can we be forgiven if we hate the Word of YHWH so much that we care nothing to practice it in our lives?

Notice that Y'shua's words are present tense:

Mark 3:29 *“but he who blasphemes (present tense) against the Holy Spirit never has forgiveness, but is subject to eternal condemnation”*

It does not state that the one who “blasphemed” (past tense) the Spirit never has forgiveness. At one time, we all blasphemed the Spirit because we all hated the Word of YHWH ... until we came into the faith, and start growing to love the Word of YHWH.

Do you see the difference?

It is the one who is actively and currently engaged in disobeying the Word of YHWH, habitually, without care or concern, without love for the Word, that does not have forgiveness.

Thus, if you love the Word of YHWH, and you have a desire to practice the Word of YHWH, then you are not blaspheming or despising the Spirit of YHWH ... because it is the Spirit of YHWH that is the desire in our heart to go after His Torah.

There is a difference between currently being unrepentant and blaspheming the Spirit or hating the Word of YHWH ... that person does not have forgiveness and then the person that blasphemed the Spirit and repented, and loves to walk in His Torah just as our Messiah taught and practiced ... it is He that has forgiveness.

We hope that this study has blessed you, and remember, continue to test everything.

Shalom and may YHWH bless you in walking in the whole Word of YHWH.

Loving your Body

“Spirit out of body”, which is under Circuits & Systems/Disconnections in Body Code often happens to survivors.

“The spirit body becomes dislodged so it is residing partially outside the physical body”. Of course, if the spirit is completely outside of the body and is no longer connected to the physical body, we call that death. However, it can be somewhat outside of the physical body, which is detrimental to the physical and emotional state of the person. It’s generally caused by physical trauma or extreme emotional stress.

Sometimes when there is spirit out of body, the person will feel somewhat disconnected or “confused and disconnected”.

They will be more weak, tired and susceptible to illness. Think about it. If death is the complete disconnection of the spirit from the physical body, then spirit out of body is one step toward death.

It does NOT mean the person is dying or will soon die. What it does mean is that they are less alive than they could be otherwise.

From a practitioner standpoint, I have found that this can be an important condition to look for.

I have found that spirit out of body can really throw off the testing. Sometimes it will result in findings that are all over the place and don’t really make any sense.

Other times, it will result in no findings. The testing may indicate that the person has no trapped emotions anywhere, even though you’ve taken proper steps to avoid testing weaknesses (dehydration, neck out of alignment, etc.).

If you’re testing someone and what you’re getting makes no sense or is going nowhere, ask if there is spirit out of body. Often times, you’ll get a positive response.

Once you correct it, you’ll see the testing return to normal.

For some patients, spirit out of body can happen frequently. I believe the more time that the spirit spends partially out of the body, the more easily it can get out again.

Some patients have felt the difference between the two states so often that they instantly know if the spirit starts to leave the body. They can sometimes call it back themselves or do some Emotion Code on themselves to help get it back in. If I have a patient who has this problem occur on a frequent basis, I will try to be more proactive in my testing and treatment.

After the spirit is back in the body 100%, I can ask if there are trapped emotions that are trying to push the spirit out of the body. Many times I can find and clear those emotions so the spirit is less likely to get dislodged again.

Trauma does effect you spiritually because yes - it disconnects you from nature and nature IS our spirituality. Our soul and the soul of all things are one - and what connects them is NATURE.

Numbness is a kind of 'frozenness' - and it can be physical / emotional / energetic / all the above - and the freeze instinct is what keeps us safe when we can't fight or get away from trauma.

So UNRESOLVED / unhealed trauma makes you feel numb because the mind / ego / body learnt that numbness = safety.

The more numb you are, the more disconnected you are from your nature and from nature herself.

Most people alive today are numb to at least some degree - because we all carry a great deal of unresolved (about 2000 years worth, on average) ancestral trauma...

Moral of the story is - heal your trauma. Only then can you realise your potential as a human being.

How true those words ring today. People who experienced trauma relive that traumatic event or events over and over. Their mind, body, and soul are affected long after the initial event. They are, in truth, suffering from memories.

When someone goes through a traumatic situation, their body is a crime scene.

It does not feel safe, so trauma survivors try to spend as much time outside their body as they can.

Also, many are mentally tormented by shame they feel in the present about events that have occurred in the past. They feel shame for how they acted or didn't act at the time and try to numb those feelings anyway they can.

there is a loss of self. Some survivors feel defined by the trauma.

They become what the abuser says they are or what society deems them to be.

Also, most trauma survivors are unable to tell anybody what exactly happened immediately following the event. **Those emotions, thoughts, and memories go unprocessed and get dumped into the body.**

The Body Speaks What the Mind Can't

When emotions, thoughts, and memories go unprocessed, they can show up as emotional and physical symptoms. **And seek validation through flashbacks, unexplained rage, uncontrollable outburst, poor impulse control, racing thoughts, depression, body aches, and pain.**

Mending Mind, Body and Soul

While talk therapy is an essential step in the healing process, many are finding that it is not enough. We must address the way trauma is held in the body to make the healing process more complete.

For real change to take place, according to Bessel VanDerKolk of "The Body Keeps the Score," the body needs to learn the danger has passed and to live in the reality of the present.

When survivors are triggered or reminded of the past, their right brain reacts as if the traumatic event were happening at that moment. And because their left brain is unable to process the situation due to trauma, they may not be aware they are "suffering from memories."

Snake in Anus & Vagina

Please read through the prayer: **Sheila na Gig**

The 'doors' of the vulva would open as I (the goddess), is being worshipped.

It seems like there is some kind of snake living inside of me. When the portal is fully open, there could be two things happening:

- i) **The tail of the snake would come out:** It demanded a **female to have sex** with and the **tail would function as a penis**. Somehow the tail was able to release his seed...
- ii) **The mouth of the snake** would become visible and a male would need to have sex with me. **The snake would take all his seed and energy** and give him things in return.

Sometimes the snake would demand a sacrifice and the person that I was having sex with would die during orgasm.

The chakra system

Could it be a JANUS program running ... back-to-back??

Double-barrel names like Taimat and Inanna ... 2 names?? → leading to the core?

Please study **about the Typhon tunnels by Alistair Crowley** - the initiation which puts up the **tree of death** behind the tree of life.

This also involves the chakra system.

It is all anal rape and rituals from there up to the spine. a covenant is made with the spirit of death ...

Pray over every part including the JANUS twins (Taimat & Innana) anal and vaginal ... male and female penetration feeding the serpent.

Prayer: snake in anus & vagina

In the Name of Y'shua we come against any anal penetration where the covenant of death was made and the seed of the tree of death was sown.

I pray Abba Father that You come and uproot every tree of death (Kaballah) in _____ and in her parts, known and unknown.

Father we cut _____ and her parts free from the spirit of death and the tree of death.

We cut her free from Hecate and from the underworld, from the walking dead, from the graves, the coffins, from the house of Rome, from Apollyon, from Abaddon in the Name of Y'shua - and anything connecting them to death, we ask You to destroy it,

We ask You to cut her loose from the Dogstar – Sirius.

Lord, You are the Giver of Life and we connect _____ and all her parts, known and unknown, to You, the One that is Life, the Life Giving Source.

We pray that You cleanse and purify the anal and vaginal passages from any demonic attachments, any claim that was made over the anal passage

Father any gatekeeper, watchdog, witch, warlock, Nephilim, fallen angel, demon - that was assigned over the anal passage I ask that You send Your Escort Angels and remove any single one of them.

In the Name of Y'shua HaMashiach and that You come now and cleanse and purify that passage in the Name of Y'shua.

Father, where Satan used kaballah to:

- activate the so-called “tree of life” (but it was actually the tree of death)
- and the false energy system was installed making her chakras spin in the opposite directions and at a different frequency than what You created them to spin –
- enabling her to move in to other dimensions and shape shift –
- and be translated in the spirit.

We ask You to reverse whatever was done and to dismantle all the evil structures ... correct her wheels of light to spin in the right direction and at the right speed / frequency.

The seed of the nachesh in the Garden – that was planted into the anal and vaginal passages, all ties to the snake and serpent kingdom – connected to the anal and vaginal passages, Father we cut the anal and vaginal passages loose from the snake and the serpent kingdom.

The snake's name is Choronzon

We cut _____ and every part loose from Choronzon, in the Name of Y'shua, we thank **You Abba Father, that the power and authority that this snake has had over _____ and her parts today is broken.**

We cancel the assignment of Choronzon, we tear the mantle of Choronzon, **every altar that he has built inside of _____ and her parts - every temple that was erected in _____** and her parts - we ask You now to destroy the foundation of that temple.

- ◆ You destroy the walls,
- ◆ You destroy the doors,
- ◆ You destroy the gateway,
- ◆ You destroy the portals,
- ◆ the throne, the seat,
- ◆ the altars.

Then cancel the worship that Choronzon received in the Name of Y'shua.

Father we thank You that this temple has been utterly destroyed now in Y'shua's Name.

And Lord You have made _____ the temple of the Ruach Ha Kodesh, You purify and You cleanse her temple now and You wash and cleanse every utensil in that temple **so that it can be set apart Holy unto You.**

Thank You Lord that the power of this Choronzon snake over _____ and her parts is broken! Is broken!

We ask You to pull out the tongue and the fangs of that snake, the poison that was released, neutralise that poison, coming from that snake in the Name of Y'shua HaMashiach, destroy every egg, destroy the nests, and any link that this snake has with the Egyptian gods, and working together with the Egyptian gods.

We sever all communication lines and where they want to link up to form an army against _____ and her parts, we cancel it and we separate one from the other and we cut Marijke loose, spirit, soul and body, every part known and unknown from the Egyptian gods and from this snake.

Pray about **A. Crowley and Jack Parson**, who was his student.

Cut loose from A. Crowley and every witchcraft that was channelled, psychic powers that were channelled from A. Crowley into _____ and her parts.

We thank You Lord that we can ask You that You sever all ties, all communication lines.

Jack Parson – we also include this man ... he does all the rituals for **NASA**, he is one of the founders of Nasa.

We pray that every influence this man has had over _____ and her parts, known and unknown, we ask You Abba Father, that You sever all ties between _____ and her parts and J. Parson in the Name of Y'shua.

Raping through the vagina

Everything that was done to the vagina, **linking her to the snake kingdom and the snake Choronzon**,

Father wherever where he had an influence over _____'s body, any part of her body and her parts, known and unknown,

- we uproot his words,
- his plans and schemes
- his SEED and
- we ask You Abba Father, that You utterly destroy the works of the evil one over _____ and her parts and any demonic attachments and defilement any gatekeeper.

- We ask You now Father take them to where You want to take them. In the Name of Y'shua.

Prayer for sealing everything what has been prayed for and for protection against any backlash or punishment in the Name of Y'shua and we thank the Lord for all the work which has been done, every time again a step towards healing

The Tunnels

Tunnels are used for underground programming and rituals, which are utilised for the trauma based mind control treatment of slaves. They are in many, many places including under the Vatican and are used by Jesuits – the Black Pope. They are also placed internally through programming. I believe they are created through sodomy.

William Schoebelen states;

*“ the **TUNNELS OF TYPHON** are sodomy rituals, which form in mind control programming. Occultists call the human anus the “**Eye of Horus**”.*

*Illuminati bloodlines sodomise their offspring at an early age in order to awaken some form of supernatural ability (kundalini). Kabbalists call sodomy rituals the “reverse Sephiroth” or “**the dark tree of life**,” called the **QLIPPOTH**, which is where they claim that the “negative form or shadow – self, connects to the fallen (angels) and dead light.”*

These rituals were taught by Aleister Crowley, rituals which were used to invoke and make contact with fallen angelic and demonic hierarchies.

Crowley sodomised, murdered and sacrificed many children when on the “Path of Typhon.” Typhon whose name means “opposer” in Greek mythology was the god who was so ugly he changed into a fire eating monster and was killed by the thunderbolt of Zeus, His Egyptian counterpart is **SET** to whom sodomy is particularly sacred.

In the occult it opens up the “**typhonian tunnels**” through sodomy through which powerful demons like **CHORONZON** can travel from another dimension and enter the sex partner's body.

Lustful and disconnected sex is a major way in which demonic oppression can be passed from one person to another. This tradition is part of a current of magical occult lore and practices which dates back to Sumeria and to the fallen angels, which according to the occultist Kenneth Grant, head of the Ordo Templis Orientis in the UK until 2011, is called the:

*“ the Draconian tradition a current of magical force and occult lore dating back to Sumeria and pre- dynastic Egypt, which was originally known as initiated knowledge the **GNOSIS of the FIRE SNAKE**. The **FIRE SNAKE** is also known as the **KUNDALINI** the **OPHIDIAN CURRENT**, the **EYE**, which is the basis of all true initiation.”*

What I found interesting in the word Tunnel which connects back to the Nymphaeum of both Magdala and that of Pan, is that the word tunnel in Hebrew means: “a river, so that a tunnel is a place dug in through the ground by a river. An entrance to the underground.”

Carl Jung a man deeply interested in the occult, yet heralded as a stalwart of modern psychology, stated:

“The serpent is the Gnostic symbol for the Spinal Cord and the Basal Ganglia because the serpent is mainly backbone”.

The 33rd Degree Freemason manly P. Hall wrote:

*“Sufficient similarity exists between the Masonic **CHIRAM** and the Kundalini and the **SEVEN DEGREES of POWER** of Hindu mysticism to warrant the assumption that **CHIRAM** may be considered to be a symbol of the “ **SPIRIT FIRE**” moving through the sixth ventricle of the spinal column.*

This shows the role that spiritual illumination often plays in occult initiation. SEVEN nervous systems exist along out spinal canal. Kundalini's sexual fire awakens with sexual magic.”

The occultist Samael Aun Weor, states that in the ancient Aztec imagery of the decapitated man 7 serpents are seen to be coming out of the man's body as his head is decapitated.

These were identified as:

- the first serpent belongs to the Physical body,
- the second to the Ethereal body,
- the third to the Astral body,
- the fourth to the Mental body,
- the fifth to the body of Will power,
- the sixth to the body of Consciousness and
- seventh to the INNERMOST, our REAL INNER BEING.

In occult initiation these form the **SEVEN PORTALS of initiation**, which open telepathy, intuition, the occult ear, clairvoyance, intuitive occult vision and omniscience and transformation into gods.”

Exactly what Kundalini activation does!

Is this what was behind the deliverance of Mary Magdalene by Y'shua the Messiah?

This morning I had all kind of fractions of memories, but it isn't very clear yet.

It started of with memories about Stefani (Gaga), Christina (Aguilera) and Demetria (Lovato). They seemed to be given to me to ‘play’ with (as a reward or something). I think it was after I came back from the nephilim (especially when I was older).

Then I saw bits and pieces from being with the nephilim. I wasn't this little girl anymore who grew up with them, but I was older. With their mind power they would let me float in the air. They could put me in any position they wanted, without having anything solid around me. They would do weird things with my brain and my body cells.

Next thing I see a sword. They put it through me, exactly in the middle of my body. I feel it going through me and the pain is crazy, however they manipulate the energy of the part of the sword that is going through my body, so somehow it doesn't damage my organs. Then it seems like the one sword becomes 4 swords (or they put 3 more, I'm not sure). Each sword goes its own way (north, south, east, west) and I'm being cut in 4 pieces.

Another thing I see has to do with that Sheila na Gig. I'm not sure how it works, but I'm just writing down what I sense...

As I am being worshipped, my 'doors' (the vulva) would open. It seems like there is some kind of snake living inside of me (I've had memories of that before). When the portal is fully open, there could be two things happening:

- i) The tail of the snake would come out: It demanded a female to have sex with and the tail would function as a penis. Somehow the tail was able to release his seed...
- ii) The mouth of the snake would become visible and a male would need to have sex with me. The snake would take all his seed and energy and give him things in return.

Sometimes the snake would demand a sacrifice and the person that I was having sex with would die during orgasm.

Crone and other Alters

Hierarchy & deeper Cult Alters

The deeper cult alters may be placed in a crystal ball and the Kabbalistic Tree of Life. The Mother-of-Darkness alters will be set up on the Maiden-Mother-Crone trinity of the occult.

Stormy alters, and there may be 60 or more deep level stormy alters per system, are alters that are to be involved in all the manmade "natural disasters" that are planned for the period of anarchy.

Sergeant alters are deeper call back alters who will be commanders of programs for the antichrist takeover.

The deep front alters of the Mother-of-Darkness, Grande Dames, or Grande Master alters will not be in a deep trance. They need to be fully alert for what they do for the Illuminati.

However, since they are only out at special points in time, all they know is Illuminati life and philosophy. Illuminati philosophy will include such things as "Pain is strength. The pain we suffer will give us the strength to conquer."

The Sisters of Light (the level before the Mothers of Darkness) will be under the leadership of a Queen Mother. She will direct them to abduct a handsome male for breeding purposes.

After the handsome male is used for breeding to get a male child for sacrifice or a female to raise as a Sister of Light, then the handsome male will be sacrificed.

The Sisters of Light wear white for this ceremony. Because these alters only know the traditional ways, they don't have a realization of what they are doing.

An Illuminati multiple will carry on ritual functions at a number of different levels in the occult. There will be different alters for different levels and different ritual dates.

The back part of a hierarchy system will not be worked until a sealing ceremony involving Egyptian magic at the age of 19 in late April / May.

Three keys are given at the ceremony, which is tied to astrological events. The 19 also represents 9 + 10 doors in the system. Then the back (deeper hierarchy) alters will begin to be used. This back half of the System will be shaped by path-workings of the Kabbalistic Tree of Life.

In the first levels of witchcraft, they will think they are worshipping a male & a female god. By the third level they will be informed they are worshipping one god - Lucifer.

Some Illuminati groups, which are Jewish, worship a female god at the coven levels.

The secret Illuminati set of documents that the Bavarian government confiscated in 1784 and published as Die Originalschriften der Illuminatensekte, Munich has an accurate organizational chart on p. 32 of these reprinted Illuminati papers.

There were 13 levels. Six of these are functional.

Monarch slaves who have internal worlds with 13 levels, with 6 functional and 6 hidden are not much different than the actual hierarchy structure. In the Illuminati covens, each coven will secretly have a copy of The Book of Ages, which is vellum, and is basically a Who's Who of the Illuminati, and a copy of The Book of Generations, which explains the 13 bloodlines and what belongs to what generation.

A handwritten magical Book of Shadows will also belong to the coven. Only the Keeper of the Books and the coven leader will know about these things. The coven will also have a Keeper of the Seals, which pertains to vows and oaths. After Halloween, the coven leader (priest or priestess) will secretly send all the coven records to headquarters in Europe.

It is important to realize that the internal structuring of an Illuminati alter system will correspond to the external structures of the Illuminati. This may not be an exact one- to-one correspondence.

Understanding the Illuminati hierarchy ranks is important - which by the way had remained secret until Fritz Springmeier's recent Newsletter From A Christian Ministry in Jan. '93.

Within the male membership in the hierarchy you will find the following positions:

- ◆ Grande Druid,
- ◆ Grande Master,
- ◆ 5-star general (Servant of the Pentacle),
- ◆ Asmodeus,
- ◆ Ipsimus (or Royal Ipsimus), and
- ◆ Supreme Master.

Bards are wise men within Druidism.

Within the female side are:

- the Sisters of Light (9 grades),
- the Mothers of Darkness (11 grades),
- the Grande Mothers (13 grades),
- the Grande Dames, and
- the Queen Mother.

Each of the 13 bloodlines have their own governing monarchies, upon which the numerous mob crime families are modelled.

This particular arrangement may have developed from Basque witchcraft rather than Druidism. Generational thrones (kings, princes, priests) are very important.

The Kings are called Olympians.

All of these bloodlines cooperate by having councils. Three groups have been identified as preserving the plans for the world-rule by the antichrist:

- the Keepers of the Dawn,
- the Order of the Quest, and
- the Order of the Garter.

Sexual Alters

The early sexual trauma is designed to familiarize the child with sex, and to access the primal part of the mind. The torture and sexual abuse eventually becomes gratifying to the mind.

The mind does a reversal, pain becomes pleasure. At any rate, the programmers are trying to get a type of nymphomaniac. They accomplish this on one level.

The sexual alters have no feelings attached to what they do, and their masters never allow them to enjoy sex.

They are not to have climaxes, although they may be coached how to fake it. (For punishment if a slave gives trouble, the programmers might even hypnotically or surgically sew up the clitoris to insure the slave receives no gratification.

The Arab sheiks of Saudi Arabia will cut off - destroy - the clitoris of their Monarch slaves in the same fashion that the Moslem world does with all their females.)

The programmers have been heard to program their slaves, *"Don't be a hustler and don't pick up strays."*

The programmers must now "groom" these alters. Little boys begin to be orally sexually molested when they are three. That is the standard age.

Females (and some males) need to learn how to appear and act seductive. The programmers understand human nature.

They understand that there is a spectrum of female sexuality, where on one end of the spectrum females guard their bodies with their minds, and on the other end they guard their emotions with their bodies.

When a woman guards her emotions with her body - she is the type who craves sex for the physical pleasure of sex. There is an entire cluster of behavior traits that go with this type of personality, such as the way they walk, use their eyes, stare at men, the way they dress etc.

The sexual groomers and programmers will teach the sexual alters these clusters of behavior. The sexual alters will also pick up lots of expertise naturally during the years of having to sexually service hundreds of abusers in every fashion imaginable.

When Roseanne Barr, a Monarch slave, in her recent T.V. interview with Barbara Walters said, *"I'm been screwed every possible way,"* she was not exaggerating.

The Gumby Programming is to make the slave think their body is like Gumby and is flexible to move into any position.

The slave is repeatedly threatened with their life, if they do not perform perfectly.

The sexual techniques of the world have been collected and improved upon by the Illuminati and their intelligence agencies such as M16, & the CIA.

There are techniques to use with old men, for porn movies etc. which the common people aren't even aware of. The intelligence agencies & the military, when they use a male Monarch slave for covert activities, will find a female slave whose personality matches the male and pair them sexually during the period that the male slave is used on covert operations. This is done to insure that the other side doesn't take advantage of the male's sexual desires.

Subjects such as how to train alters for espionage and prostitution could be books in themselves.

The Illuminati have male instructors who teach small classes of females about the power of seduction and how the male brain shutdowns when their sexual organ gets involved.

Finishing schools like at Youngstown, OH teach sexuality performance based on fear of death. The male and female sexual slaves usually are highly skilled technicians who don't have emotions attached to what they do.

Names

There are some examples in professional literature which will serve to illustrate how the alters in an Illuminati system are named.

A therapist in a professional magazine provided the names of a client's alters, which were Karen J, Karen Jo, Karen Ja, Baby Alpha, Middle Alpha, Adult Alpha.

One of Frank Putnam's clients, (who had PET scans done showing how different alters have vastly different PET brain scans, which are not exhibited by people who only pretend to have MPD), had a Pam 1, and a Pam 2.

These three methods here are common methods for categorization. In a 13x13x13 grid of alters, the top 2 sections of 169 each will usually have quite a number of duplicate names.

Our hypothetical Mary, would have a Mary 1,2, 3. She might have Eves 1-13 also. On the charts these would be Eve A, Eve B, Eve C, etc. She could also have a George Ann, a Georgee, a Georgette, a plain George, and a little child George, and several alters attached to these who have no names.

Sometimes alters will be set up with first names and a surname, so that a family of alters will all have the same last name (surname).

Some alters are not named by their abusers, they must fend for themselves in figuring out what to call themselves. They only have access codes to pull them to the front of the mind.

There seems to be no end to the variety of names of alters. Some are named after the quality they have like a robot named Steel, or a crazy alter being named Dementia, or an animal alter being named Animal.

However, a number of names keep popping up in System after System, so for what it's worth here are some popular names that Fritz has seen occurring as alter names:

- ◆ the Adepts,
- ◆ Alexis (or Alex),
- ◆ Angel,
- ◆ Anna,
- ◆ Baker,
- ◆ Charlie (or Charles),
- ◆ Crystal,
- ◆ Death,
- ◆ Jezebel,
- ◆ Lilith,
- ◆ Queen,
- ◆ Sadie, and
- ◆ Samantha.

This is not a scientific sampling at all, just an observation based on dozens of alter systems which have shared some of their alter's names.

Boxes & Self-Abuse

We will now discuss one method of placing boxes into an alter system. Between the age of 4 and 4½ an Illuminati child would be taken to Scotty's castle, CA for programming. A cedar chest would be placed in front of a table. Two Illuminati children well into their programming would be assigned to guard the chest, which would be called the Doctor's box.

They would have "clean slate" alters who knew nothing but their hypnotic commands to guard the doctor's boxes. Expendable children would be coached to come into the room and try to get into the box. The Illuminati children would be given strict orders to kill them if they tried to get into the box.

If the children failed in their guard duty, they either got more programming or were in turn expended. The Illuminati children had sharp swords with which to guard the box, which had 3 seals on it. Internally, Mengele would then hypnotically program in countless boxes with 3 seals. Locked up in the boxes would be self-mutilation and body programs, etc. Therapists should know that these boxes are deadly.

Well trauma

After reaching the level of obedience where they would kill for the programmer, the Illuminati children would be placed in a deep well for a well-trauma, and then while deep in the well would be given various orders such as "cut yourself", "probe yourself (electroshock oneself)" and other self-abusive things.

The well torture would usually work at teaching the "clean slate" alters to abuse themselves.

During many programming sessions, the victim is told "you must pass a test, will you pass the test?" There is something that is more motivating in these words, than if the truth were said, "you must endure these traumas, for our enjoyment and to become a slave for us."

And to quote a line from the film When Rabbit Howls, "The worse things got, the more of us showed up." The mind keeps protecting itself by dissociating the overwhelming abuse.

Layering

Programming is layered in. Layer after layer of programming is put in. Each alter or alter fragment is used as if it were a component of a large system.

The result is that no alter or fragment is the whole, only a cog in a great machine.

Can a single cog rebel against the whole machine?

It is very difficult for a single component of thousands of components to rebel against its abusers, when it doesn't even have the ability to realize they are abusers and not the alter's natural order giver.

Besides programs, items are placed into the mind too. Examples include vaults, safes and doors, which need combinations & keys.

The Illuminati programmers see the layering in of programming as demonic.

They feel the scripts, and movies are more "fronts" than the actual layering mechanism. They believe, as one ex-programmer said, "This programming involves an organization system, established by horrendous trauma, for the alter personalities involving internal mental imagery, which is driven by demons, who provide the power.

Undoing it requires an understanding of the mental processes involved, the imagery or blueprint used, and the spiritual dynamics." (By the way, some readers will be ignoring this as Christian propaganda.

However, this was said, not because this person is a Christian, which this person isn't, but because this person wanted others to be set free. It is also true that the Word of YHWH, the Holy Bible, which was the foundation of Western civilization, does speak about spiritual warfare.)

Systems

Now we will go into the various systems that are programmed in. The programmers place into their slaves a combination of the following standard systems to make up the victim's programming:

- a. Kabbalistic Tree of Life,
- b. Carousel,
- c. Castle,
- d. Cave and well,
- e. Chess Board,
- f. Double Helix,
- g. Flowers,
- h. Helix,
- i. Hourglass
- j. The Mensa system,
- k. Pentagram,
- l. Pool of Death,
- m. Potter's Wheel,
- n. Puppet System,
- o. Solemetric,
- p. Spider Web,
- q. Spiritual structuring,
- r. Stairwell,
- s. A Telescoping system,
- t. Tornado System, and
- u. Umbrella.

Also an internal timing clock (syst.) keeps time according to the rotation of ritual dates, which helps "justify" the SRA, for "it's that time of the year."

Just a quick note: different programmers have different preferences for how they do things. It also may depend on what site they are using for the programming.

Drugs and videos are frequently used to get the person to adopt the script they are to accept internally. However, harmonics and electronics are increasingly being used. Ritual and magical ceremonies may or may not have rigid scripts.

Kaballah Tree

WHAT are the BACKUPS?

Beside the principle tree, the programmers will often plant a flower that represents the generational ties. If the tree is taken out the flower will regenerate the tree.

The petals, the flower center, the stem and roots represent different generations of the victim.

Understanding the Maiden-Mother-Crone combination in the Mothers-of-Darkness. Therapists are going to find Illuminati slaves having 3 alters placed together. This is part of how these systems are structured.

The maiden is set up on the pedestal as the "a" alter. The first programming chart which shows all the "a" alters in the system consists only of the young maiden mothers. The mother or second figures are close behind the a's.

However, the crone part of the triads is meant to hide in the background. They serve as the power of advice behind the scenes. These Mother of Darkness triads participate in various ceremonies.

Their initial initiation ceremonies included water torture with electroshock, which is the death, burial and resurrection ceremony. There are the full range of satanic holidays for the Mothers and a look at the full range of holidays will provide a person with the type of ceremonies that the Mothers carry out, which include the two solstices.

Different **Mother-of-Darkness** alters participate in different ceremonies. The inside of their black velvet gowns are color coded so that within the ranks of the Mothers are a whole series of ranks (grades).

All of these Mother parts have been told they are divine goddesses. The following information will clarify this further.

The Mother or "A" Parts

The Mother part of the Goddess Trinity is the high point in all cycles. Traditionally her color is red, the color of life force.

The Mother is associated with adulthood and parenthood. The Mother is ripeness and balance.

Mothers actively work magic. She is a nurturer. She is confident and has no indecision. The Mother knows what she is.

She is the full moon. Summer is the Mother's time of the year, the full moon is her monthly point of power. She is honored by Beltane (May 1), Summer Solstice, and Lunasa (Aug. 1).

As stated before there are certain rituals which call for Mothers rather than a maiden or a crone.

Maiden or "B" Parts

The young maiden part of the mothers is the equivalent to the "apprentice" level of the mystery schools and Freemasonry. The myth holds that the maiden will be eternally youthful. Even with the aging process, the goddess can experience youthfulness in the mind.

The maiden is the creatress of new ideas. She also is the armed hunter of the Mother's laws. She is the Guardian of the Balance. She is aware of her sexuality. She is independent and not controlled by men. She is the Way-Shower, the Keeper of the Keys.

You will find the maiden in the following rituals:

- ◆ New beginning rituals plans for conception
- ◆ The birth of a child, the first menstruation for girls, puberty rituals for boys

The Crone or "C" Parts

These alters rarely show themselves. They stay in the shadows and pass on advice. The crone aspect of the Triad of Goddesses has been called the Terrible Mothers, the Hag, the Dark Mother, and the Wise One.

She is associated with black, death, winter, menopause, wisdom, counsel, reincarnation, and the initiator into the deepest of the Mysteries.

The waning Moon is her monthly time of power.

The crones number is 9. 9 is a number of wisdom and sacred magic. Nine is also a moon number, which means spiritual completion and wholeness.

The crone has a cauldron. She is the great recycler. She is the ultimate teacher. She contacts the Spirits and is an expert on demonology. She is the Keeper of the Spiritual Records.

She is the shadow behind the Mother's throne. According to the occult, she is the elder of unlimited wisdom.

There are certain rituals which call for the crone, such as Winter Solstice. The crone completes the wheel or cycle of existence of the Mothers of Darkness. She is most likely in the system the most dehumanized of the three that sit on the pedestal.

The following are a sampling of the goddesses you will find. Since the names of these goddesses are not secret, it is possible for people who are not in the occult to track down what the popular goddess names are.

Here are a few that are placed into systems:

ASET (Isis) (Maiden)

- ◆ She dwells in the sky as the silver sheen. Isis or Aset is the best known of the Egyptian goddesses.
- ◆ Her name means throne. She is a ruler.
- ◆ She is the mother of the antichrist figure of Horus. She has a horned crown or a solar crown. She has lots of titles.

BAST (Maiden)

- ◆ Bast is the mother goddess of all cats. Bast looked like an 18' giant with a cat head. Internally, in the system she will look huge. Black cats were sacred to Bast.
- ◆ The internal Bast may like obsidian and cats-eye. Bast corresponds to Yesod (the Foundation) on the Cabalistic Tree of Life.

CAILLECH (Crone)

- ◆ Caillech was the Scotch and Irish Crone figure. She is known as the black mother. A derivative of her name is Caledonia.
- ◆ She was the Spirit of disease. Caillech means an old woman, a hag, or a veiled one. California is named after a version of her name. Some think her name is a derivative of Kali.

HAT-HOR (Mother)

- ◆ Hat-Hor is also known as Het-Hert. She is the womb of Horus. She is Queen of the Dead, or Queen of the West. In mythology, Hathor, when turned loose on the earth, slew humans until blood ran in the rivers.
- ◆ She is the avenging Mother. She is identified with the heavenly cow who made the Milky Way, and the Nile Goose, who laid the Golden Egg.

ISHTAR (Mother in the swamps)

- ◆ Ishtar is lady of heaven, goddess of the moon. Istar had a lion throne and a double serpent scepter. Ishtar went down through 7 gates into darkness and then returned in order to try to find her lover Tammuz.
- ◆ Sometimes Istar is accompanied by dragons. She was originally a Babylonian goddess.

KALI (Crone)

- ◆ Kali or Kali Ma is the best known Crone goddess. She will be deep in a System. One image of her in mythology is squatting over the dead Shiva devouring his penis while physically eating his intestines.
- ◆ This is an actual satanic ritual that Mothers-of-Darkness participate in. Kali has both creation & destruction abilities. Kali's necklace in Indian legend consists of skulls with magical sanskrit letters.
- ◆ Kali was and is worshipped by a great number of people, especially the Hindus.
- ◆ One group of worshippers has been the Thugs, who relate to the Assassins and the Knights Templars.
- ◆ Another group of Kali worshippers are the gypsies who left India in the middle ages and over the next following hundreds of years travelled all over the world.
- ◆ Originally, blood sacrifices of male animals or men were made to her.
- ◆ There is a reported decrease in India of such blood sacrifices from what it was a century ago. The favorite view of Kali is the black Kali named Dakshinakali. She is usually shown black and naked, full-breasted with disheveled hair and a wild grimace.

KORE-PERSEPHONE (Maiden)

- ◆ A great mother of Greek myth. Kore means "maiden" in Greek. In mythology, she watched the grain grow among the wildflowers, especially red poppies. She became the mistress of the underworld. She guards the chasm that goes into the earth. She marks each spirit of the dead on their forehead with pomegranate juice.
- ◆ Pomegranates are used in ritual.
- ◆ Kore returns in Spring to see her mother **Demeter**.
- ◆ According to Greek legend Kore was raped in Hades. She is also known as the Queen of the Dead. A similar Illuminati ceremony takes place where a male wearing a mask acts like Satan.
- ◆ Kore makes the journey to Hades by herself without her mother. The Greek mystery schools, which included many great Greek thinkers, have had rituals around Kore.

MAAT

- ◆ Maat's name means "She whose name is Truth". Her symbol is a red ostrich feather. A ritual vow is "by the Feather of Maat."
- ◆ Maat's presence might explain why a System is infatuated with feathers.
- ◆ Maat is the one in legend who "is the pattern" --the one who "will find a way to weave us back into our proper places in the tapestry."

Prayer of release from Freemasonry: Ancestral

Abba Father, Creator of Heaven and earth, I come to You in the Name of Y'shua Messiah, Your Son. I come as a sinner seeking forgiveness and cleansing from all sins committed against You, and others made in Your image.

I honour my earthly father and mother and all of my ancestors of flesh and blood, and of the spirit by adoption and godparents, but I utterly turn away from and renounce all their sins.

I forgive all my ancestors for the effects of their sins on me and my children. I confess and renounce all of my own sins, known and unknown. I renounce and rebuke Satan and every spiritual power of his affecting me and my family, in the Name of Y'shua Messiah.

Abba Father, in the Name of Y'shua HaMashiach, in accordance with **Jude 8-10; Psalm 82:1** and **2 Chronicles 18**, I request You to move aside all celestial beings, including principalities, powers and rulers, and to forbid them to harass, intimidate or retaliate against me and all participants in this ministry today.

I also ask that You prevent and forbid these beings, of whatever rank, from sending any level of spiritual evil as retaliation against any of those here, our families, our ministries, or possessions.

I renounce and **annul every covenant made with death** by my ancestors or myself, including every agreement made with Sheol and Tartarus, and I renounce the **refuge of lies and falsehoods** which have been hidden behind.

In the Name of Y'shua Ha'Mashiach, I renounce and forsake all involvement in Freemasonry or any other lodge, craft or occultism by my ancestors and myself.

I also renounce and break the **code of silence** enforced by Freemasonry and the occult on my family and myself.

I renounce and repent of all pride and arrogance which opened the door for the slavery and bondage of Freemasonry to afflict my family and me.

I now shut every door of witchcraft and deception operating in my life and seal it closed with the Blood of Y'shua. I renounce **every covenant, every blood covenant and every alliance with Freemasonry** or the spiritual powers behind it made by my family or me.

In the Name of Y'shua, I rebuke, renounce and bind witchcraft, the principal spirit behind Freemasonry. I renounce and rebuke **Baphomet, the spirit of antichrist** and the **spirits of death and deception**.

I renounce and rebuke the **spirit of fides, the Roman goddess of fidelity** that seeks to hold all Masonic and occultic participants and their descendants in bondage, and I ask the One True Holy Creator YHWH Elohim to give me the gift of faith to believe in Y'shua Ha'Mashiach as described in the Word of YHWH.

I also renounce and rebuke the **spirit of prostitution** which the Word of YHWH says has led members of Masonic and other occultic organisations astray, and caused them to become unfaithful to the One True and Holy God.

I now choose to return and become faithful to YHWH of the Bible, the God of Abraham, Isaac and Jacob, the Father of Y'shua, who I now declare is my Messiah and Saviour.

I renounce the insecurity, the love of position and power, the love of money, avarice or greed, and the pride which would have led my ancestors into Masonry.

I renounce all the fears which held them in Masonry, especially the fears of death, fears of men, and fears of trusting, in the Name of Y'shua.

I renounce every position held in the lodge by any of my ancestors or myself, including "master," "worshipful master," or any other occultic title.

I renounce the calling of any man "master," for Y'shua is my only Master and Lord, and He forbids anyone else having that title.

I renounce the entrapping of others into Masonry, and observing the helplessness of others during rituals.

I renounce the effects of Masonry passed on to me through any female ancestor who felt distrusted and rejected by her husband as he entered and attended any lodge and refused to tell her of his secret activities.

I also renounce all obligations, oaths and curses enacted by every female member of my family through any direct membership of all **women's Orders of Freemasonry, such as the Order of the Eastern Star, the Daughters of Job**, or any other Masonic or occultic organisation.

I renounce all lodges and secret societies including:

- Prince Hall Freemasonry,
- Grand Orient Lodges,
- Mormonism,
- the Ancient Toltec Rite,
- The Order of Amaranth,
- the Royal Order of Jesters,
- the Manchester Unity Order of Oddfellows and
- its women's' Order of Rebekah lodges,
- the Royal Antediluvian Order of Buffaloes,
- Druids,
- Foresters,
- the Loyal Order of Orange,
- including the Purple and Black Lodges within it,
- Elks, Moose and Eagles Lodges,
- the Ku Klux Klan,
- The Grange, the Woodmen of the World,
- Riders of the Red Robe,
- the Knights of Pythias,
- the Order of the Builders,

- The Rite of Memphis and Mizraim,
 - Ordo Templi Orientis (OTO),
 - Aleister Crowley's Palladium Masonry,
 - the Order of the Golden Key,
 - the Order of Desoms,
 - the Mystic Order of the Veiled Prophets of the Enchanted Realm,
 - the women's Orders of the Eastern Star,
 - of the Ladies Oriental Shrine, and
 - of the White Shrine of Jerusalem,
 - the girls' order of the Daughters of the Eastern Star,
 - the International Orders of Job's Daughters,
 - the boys' Order of De Molay, and
 - the Order of the Constellation of Junior Stars, and
 - any university or college Fraternity or Sorority with Greek and Masonic connections,
- ... and their effects on me and all my family.

I repent Lord on behalf of all my forefathers who have crossed the threshold into the spiritual realm and into Freemasonry, especially ascending the **counterfeit Jacob's ladder found in the Masonic craft**.

I repent and renounce of every inducement that caused my forefathers to leave the west and proceed to the Masonic east in search of other illuminations.

I repent and renounce of all and every Masonic obligation to find a master who would give instruction, and I proclaim my heart afresh by serving the only true Master, my Lord and Savior Messiah Y'shua.

I repent and renounce on behalf of my forefathers for having offered themselves as candidates to **the mysteries and protocols of Freemasonry**, for their ignorance, and where they corrupted themselves with obligations where once admitted, they would swear to the fulfilling of the ancient customs and usages of their orders.

I repent that my Masonic forefathers would agree to have **instruments of torture rack their bodies**, and for the subsequent curses these demonic obligations would invoke upon themselves and their descendants, myself included. I declare and pronounce that **every spirit of impoverishment be broken** and cast from my life and the bloodline of my children in the Name of Y'shua HaMashiach.

I repent and renounce for each of my forefathers and their many varied acceptances and adhering to ambiguous oaths and statements wherein there was acceptance that their **order of secular humanism was likened to the noonday sun**, and the temple master being accepted as this equivalent, their representative. Their sun deity is not YHWH, my Almighty God.

I repent on behalf of my family forefathers for having opened up and for having allowed the spirit of Freemasonry to enter into their families lives through the **Masonic doorway of their mother lodge** (and their hearts) and for having accepted the Masonic as a replacement to or of the Holy Spirit.

I renounce and sever by the Blood of Y'shua and the Word of YHWH the **spiritual umbilical cord of Freemasonry**. I remove and cast down that strategically placed grip or hold (of the running noose) and remove the curses from myself and my bloodline in Y'shua's' Almighty Name.

I repent and remove my name and those of my bloodline family members from any **spiritual constitutional roll, or counterfeit book or scribe** as recorded in any lodge or temple, and by the power of the Holy Spirit I see and proclaim that every **certificate of membership** to any evil or supernatural order is destroyed by Holy Fire. I sever myself from every **subsequent spiritual authority** and control of the temple and any of its various components in the Name of Y'shua HaMashiach.

I renounce and break all and every spiritual influence and exerting controls that any or all familiar spirits have had in influencing my forefathers, and of their subsequent acceptance that the Masonic temple was their **Masonic mother's womb**.

I rebuke this claim in the Name of Y'shua HaMashiach and proclaim every active and passive curse associated with, or given in the name of any female deity, inclusive of the queen of heaven, truly broken in the Almighty Name of Y'shua HaMashiach.

I renounce and break all Masonic influences and curses associated with the Masonic generative principal, and **with male or female lust productive powers en-block**, I do this in the Almighty Name of Y'shua HaMashiach.

I break every curse associated with spiritual blindness and or deafness in Y'shua's Almighty restorative Name, both over myself and over those family forefathers who have been caught up with and suffer as a result of spiritual robbery.

I break and rebuke every spirit and **voice of seduction** assigned to me which has been rooted and associated in the Masonic order by the precious Blood of Y'shua HaMashiach which was shed for me at Calvary.

I renounce and break every resulting curse and every **"passing through the fire ceremony", enactment or pantomime** initiated or brought to bear upon me, or any member of my family by those forefathers who entered into the brotherhood of man, or who by their participation and subsequent practises of doctrines and **ancient illuminist rituals** brought curses into existence.

I stand in the gap and repent on behalf of all those who were and who still are deluded and remain in Freemasonry, and who believe the temple to be holy ground.

I declare the lodge is not a holy place but unholy, and declare the truth of Ephesians 6:15 my feet being shod with the sandals of preparation of the gospel of peace.

I renounce and break every spiritual effect of :

- the blazing star,
- the indented or beautiful skirt work borders,
- the Masonic pavement of the 1st degree trace board and
- I remove all spiritual and planetary inroads, Baal/sun worship and dependency from within by **the signs of the Zodiac**.

I renounce and break every spiritual implication and denounce the black and white squared floor or carpet known as the floor of dualism in Y'shua's Precious Name. It is not evidence of equality between Lucifer and Adonai.

I renounce all dualism and all Masonic "yin and yang" ceremonies in the Name of Messiah Y'shua.

I declare the Word of YHWH, proclaimed in:

1 John 3:1 *"Behold, what manner of love the Father has bestowed upon us that we should be called the sons of God."*

I repent and renounce on behalf of my forefathers who bowed at the footstool of Masonic altars, where in belief they confessed to oaths and promises of murder, death and destruction.

I now break every effect of these curses from my life and those of my children and my family.

I fully believe and declare the words of **Romans 12:1** that my body is now *"presented a living sacrifice, holy, acceptable unto YHWH, which is my reasonable service."*

I renounce and break every ungodly spirit and soul tie to the **thrones of chaos and darkness, Jezebel, Ahab** and the **'dark majesty of the queen of heaven'** and the occult equivalent of the counterfeit tree of life and knowledge of good and evil.

I renounce each worship consummated at the Masonic altars of life and death, declare and proclaim in truth, that my family and my full bloodline will come into the Kingdom and Assembly of Heaven, and they shall be saved and set free in the Name of Y'shua. Hallelujah.

I break every dark curse, which would cause or encourage pride, rebellion, deception, perverseness and the curses of witchcraft associated with the doctrines of Freemasonry and the occult in the Name of Y'shua.

I repent and renounce of any of my forebears' pride of the Masonic order and their mother lodge in particular and declare **Proverbs 22:10**, and "drive out the mocker and strife; quarrels and insults."

I renounce the Freemasonry spirit of error and confusion in the name of Messiah Y'shua.

I renounce and repent that my forebears chose to swear and keep inviolate all the secrets and mysteries of the order of Freemasonry in direct contravention to the Word, and their acceptance of becoming a wilfully branded perjured individual, void of moral worth and become totally unfit to receive. I proclaim we are from the root of all righteousness and are exceedingly and abundantly blessed.

I repent and renounce of all obligations made involving the square and compass and of the authorities and regulation that has kept my family and my life in check and bound to the ungodly soul ties of the brethren of the Masonic order.

I reject and renounce statements that our feet are the rectitudes of our actions, and proclaim that it is our "heart" which is filled with the Holy Spirit allowing governorship of our actions and our lives.

I declare that the lambskin apron is not recompense for sin of my forebears. Messiah Y'shua is the only forgiveness for sin and it is His Blood that is the rectitude and atonement. The wages of sin is death, and the Masonic apron is not the Lamb of YHWH.

I renounce and reject the Masonic supreme governor (the architect of heaven and earth) is the true YHWH, and I declare that my Abba daddy, is my all in all and as Elohim, He is the Creator of Heaven and Earth.

I renounce Masonic statements that imply that the grand lodge above will become the proclaimed heaven and that salvation is progressive and accomplished through good works, acts of faith, mercy and charity. Salvation is a free gift of Messiah Y'shua, not of good works that any man can brag.

I declare **Jeremiah 43:13** *"There in the temple of the sun, in Egypt he will demolish the sacred pillars and will burn down the temples of the gods of Egypt"*. I undermine the Masonic Boaz and Jachin and smash the pillars of wisdom, strength and beauty in the name of Messiah Y'shua.

I renounce all penal sign and relevant due guard, secret passwords, tokens and grips and the cornucopia, the witchcraft wand of Freemasonry. I break the power of every assigned effect through obligation in the mighty name of Messiah Y'shua.

I renounce every authority through Masonic obligation into blindness, nakedness and helplessness and proclaim that I am united and seated on the right of my father in high and heavenly places. I am one with the spirit of the living God.

I break and renounce all obligations of Masonic forebears, and the resultant curses for having entered into self-enlightenment, hoodwinking and bondage.

I proclaim I am a new creation in Messiah Y'shua, and the curse of the "lewis" is thus broken.

I renounce and break every divination and counterfeit gift of Masonic anointing and cast down all false unity in YHWH's name.

I declare that the Holy Bible is the inspired, infallible and inerrant word of YHWH, and it is not Masonic furniture.

I renounce the control of the trace board deities which from a hidden perspective attempt to govern the north, south, east and west.

With great authority in the LORD Messiah Y'shua I declare every obligation and curse of the entered apprentice degree reversed from my life and the lives of my bloodline. Being that it was spoken on, I have thus declared them off in the name of Messiah Y'shua.

Amen

The Primitive Rite: The Symbolic Lodge: Fellow of the Craft (Second Degree)

I renounce and repent of all my Freemasonry forebears' respective acceptances and or adherences to the fifth science, and cast off my life and spirit the doctrines and allegories of Alexandria geometry together with its magnitude and extension to all line and perpendicular doctrines, and of the sacred teachings of the euclid. They have no bearing on the rectitudes of either my life or that of my children in Y'shua' name.

I repent and renounce of my forebears' willingness to accept, believe and adhere to all and every planetary or astrological, self-improving methodology and technique designed to overflow and flood the mind, so as to induce their divine platform to study symmetry, and to follow the teachings of New Age witchcraft. I sever and break every effect of curse from the second symbolic degree, or 'fellow of the craft', both from myself, my family and from my children it was spoken over and now I proclaim it off in the authority of the mighty name of Messiah Y'shua.

I renounce and break the symbolism of engaging in backward or reverse rituals, and or charges involving "passing" in the mighty Name of Y'shua.

I declare that the Masonic plumb line and square represents false justice and counterfeit virtue, and declare that Messiah Y'shua is the yolk of all my righteousness.

I renounce the password "shibboleth" and every pantomime to death pledging, I cast off every impediment of speech and undermine the elements of Masonic strength. I expose the steps of the winding staircase and proclaim that the Freemasonry "geometrician of the universe" is not YHWH Almighty.

I renounce and break every effect of spiritual obligations and actions of having my left breast torn open, my heart plucked there from and given to the fowls of the air. I break every effect of the dagger and cable tow threat over my life in the Name of Y'shua.

I renounce and repent of every ritual charge involving the Masonically stipulated obligations regarding the progression of its sciences and all north east and south east ritual charges and obligations of decadence.

I repent and renounce every “blood oath” and promise of this degree, and I cast down every witchcraft curse of death through proclaimed and acceptable murders duly spoken in solemn Masonic fashion. Amen

The Primitive Rite: The Symbolic Lodge, Master Mason Degree

I renounce and break every spiritual curse initiated through the charges, rituals, prayers and obligations pertaining to the Masonry counterfeit of the Holy Bible's King Solomon's temple, and declare these heretic rituals exposed and broken. I declare these rituals and charges devoid of moral worth and break their spiritual authority over my life and the lives of my family and my children.

I break every spiritual authority of the Masonry “blood oaths promises” those spoken by my forebears in this and every other cult degree, and proclaim I am atoned by the precious Blood of the Lamb, washed, and cleansed by the death of our Savior at Calvary.

I renounce and break every evil supernatural pantomime of the ancient ritual obligation of having my body severed in twain in the midst and divided north and south, my bowels burnt to ashes in the centre, and the ashes scattered to the four winds of heaven.

I break the spiritual power of the password “tubalcain” and sever every ungodly soul tie to this ‘death curse’. I proclaim all of its associated curses of “death” and “premature death” implications broken over myself, my family, and my children, and my children's children to ten generations (**Exodus 20:6**).

I renounce and rebuke every assigned demon or familiar spirits duly engaged through the acts of necromancy and spiritualism and symbolic murders practiced in the “raising from the dead” ritual. I sever every resultant rebellion and purposeful demonic authority ship, and submit to the order of the Lord Messiah Y'shua.

I renounce and break every ritual, charge and implication of the password Shibboleth and I break every contract and proclamation of agreement involving Hiram Abiff (“counterfeit Masonic master”), and I declare Messiah Y'shua the Lord and Master of my life and sever myself from all ungodly soul ties.

I rebuke and renounce every curse and spiritual robbery through the Masonic “skull and bones” rituals together with its charges and every mortality and associate obligation in the brotherhood.

I proclaim the ritualistic grip of the lion paw severed in Y'shua' mighty name. I declare the five points of fellowship “loosed and broken” and I proclaim them destroyed by the Blood of the Lamb.

I renounce and break every spiritual, physical and mental effect of the secret death to life words “machaben” (machbinna) and “mah-hah-bone” and their demonic effect through and with cult and or spiritual meaning -“lumps and cancer”.

I renounce and break every spiritual power of the magic ritual involving the twelve and the “theratic circle” of the raising degree, and I remove and cancel its demonic attachments from my life and the lives of my children in Y'shua' mighty name.

I renounce and break every spiritual effect of my forebears' deceptive efforts to save or right themselves by “good works” and of having placed the idol of their brotherhood (the square and compasses) over and physically upon the Word of YHWH.

I renounce and remove every spiritual ring and ritual regalia from my life and I expose the goatskin parchment loosing it to destruction.

I renounce break and remove every spiritual trace of the hoodwink and cable tow and see them destroyed by the Blood of the Lamb. I bind every inherited evil supernatural power from further effect or purpose and loose spirits of life and gifts of healing in accordance with **Romans 8:2** and **1 Corinthians 12:9**.

I renounce and break off my life every effect of “death and hell” invoked through Masonic ceremony and oath, and bind every strongman of “antichrist” in Y'shua Name.

I renounce the spiritual and physical abandonment of the family and I break every spirit of divorce from my bloodline in Messiah Y'shua's mighty Name.

I renounce the Freemasonry teachings that imply that the divine teachings of the Almighty are founded on the study of astronomy and or the world system.

I break every effect of this degree of darkness visible from my family. It was proclaimed on and now I command it off, by the authority of the Blood and in the name of Messiah Y'shua.

I now cast every out every demon from my body, my mind, my life and my family that came in as a result of Freemasonry. I am out of agreement with you and you have to leave now in the name of Messiah Y'shua of Nazareth.

Amen

Please note: Further deliverance may be required.

Abba Father, because You want me to be totally free from all occult bondages, I will burn or otherwise destroy and dispose of all objects in my possession which connect me with Masonry, Masonic lodges and occultic organisations, including Masonry, witchcraft, the occult and Mormonism, and all regalia, aprons, books of rituals, rings and other jewellery. I also renounce, cut off and dissolve in the Blood of Messiah Y'shua every ungodly soul-tie I or my ancestors have created with other lodge members or participants in occultic groups and actions. I ask You to send out ministering angels to gather together all portions of my fragmented soul, to free them from all bondages and to wash them clean in the Blood of Messiah Y'shua, and then to restore them to wholeness to their rightful place within me. I also ask that You remove from me any parts of any other person's soul which has been deposited within my humanity. Thank you Father for restoring my soul and sanctifying my spirit.

In the name of the Lord Messiah Y'shua, I now take the delegated authority given to me and bind every spirit of sickness, infirmity, curse, affliction, addiction, disease or allergy associated with these sins I have confessed and renounced, including every spirit empowering all iniquities inherited from my family.

I exercise the delegated authority from the Risen Lord Messiah Y'shua over all lower levels of evil spirits and demons which have been assigned to me, and I command that all such demonic beings are to be bound up into one, to be separated from every part of my humanity, whether perceived to be in the body or trapped in dimensions, and they are not permitted to transfer power to any other spirits or to call for reinforcements.

I command, in the name of Messiah Y'shua, every evil spirit to leave me now, touching or harming no-one, and go to the dry place appointed for you by the Lord Messiah Y'shua, never to return to me or my family. I command that you now take all your memories, roots, scars, works, nests and habits with you. I surrender to YHWH's Holy Spirit and to no other spirit all the places in my life where these sins and iniquities have been.

Holy Spirit, I ask that you show me anything else which I need to do or to pray so that I and my family may be totally free from the consequences of the sins of Masonry, witchcraft, Mormonism and all related paganism and occultism.

Pause, while listening to YHWH ... and pray as the Holy Spirit leads you.

Abba Father, I ask humbly for the Blood of Messiah Y'shua, your Son and my Saviour, to cleanse me from all these sins I have confessed and renounced, to cleanse my spirit, my soul, my mind, my emotions and every part of my body which has been affected by these sins, in the Name of Messiah Y'shua. I renounce the symbol 'G' and its veiled pagan symbolism and bondages.

I renounce and utterly forsake The Great Architect of the Universe, The Grand Geometrician of the Universe and the Most High who are revealed in the higher degrees as Lucifer, also his false claim to be the universal Fatherhood of YHWH.

I renounce the All-Seeing Third Eye of Freemasonry or Horus in the forehead and its pagan and occult symbolism.

I renounce all false communions taken, all mockery of the redemptive work of Messiah Y'shua on the Cross of Calvary, all unbelief, confusion and depression, and all worship of Lucifer as God.

I renounce and forsake the lie of Freemasonry that man is not sinful, but only imperfect, and so is able to redeem himself through good works.

I renounce all fear of insanity, anguish, death wishes, suicide and death, in the mighty Name of Messiah Y'shua.

I renounce all anger, hatred, murderous thoughts, revenge, retaliation, spiritual apathy, false religion, all unbelief, especially unbelief in the Holy Bible as YHWH's inherent Word, and all compromise of YHWH's Word.

I renounce all spiritual searching into false religions, and all striving to please YHWH. I rest in the knowledge that I have found my LORD and Saviour, Messiah Y'shua, and that He has accepted me.

Abba Father, I humbly ask for the Blood of Messiah Y'shua, Your Son, to cleanse me of all these sins I have confessed and renounced, to cleanse my spirit, my soul, my mind, my emotions and every part of my body which has been affected by these sins, in Y'shua's mighty Name!

I renounce every evil spirit associated with Freemasonry and witchcraft, as well as all other sins, and I command, in the Name of Messiah Y'shua, that Satan and every evil spirit be bound and leave me now, touching or harming no-one, and go to the place appointed for you by the Messiah Y'shua, never to return to either myself or to my family, through all generations. I call, on the name of Y'shua, to be delivered of these spirits, in accordance with the many promises recorded in the Holy Bible.

I ask to be delivered of every spirit of sickness, infirmity, curse, affliction, addiction, disease or allergy associated with these sins I have confessed and renounced.

I surrender to YHWH's Holy Spirit, and to no other spirit, all the places in my life where these sins have been. I ask You, LORD, to baptise me in Your Holy Spirit, now, according to the promises recorded in Your Word.

I take to myself the whole armour of YHWH in accordance with **Ephesians Chapter 6**, and rejoice in its protection as Y'shua surrounds me and fills me with His Holy Spirit.

I enthrone You, Y'shua, in my heart, for You are my LORD and my Saviour, the source of eternal life.

Thank You, YHWH, for Your mercy, Your forgiveness and Your love, in the Name of Messiah Y'shua.

Prayer of release from the Spirit of Rape and Spirit of Baphomet

Please leave out what does not apply. As an example, someone raped, but not by a family member, can omit forgiving the sin of incest. However if the rapist had already committed the sin of incest that spirit may also have been transferred. **The spirit of Baphomet will almost certainly have been transferred from a perpetrator of rape or sexual abuse.** Transference of sexual demons can also take place in consenting sex. If your marriage partner has been infected through previous partners then those demons will attempt to transfer even within Godly marriage.

Abba Father, I need Your grace and mercy to help me deal with this very painful and humiliating act of abuse that was done against me. The level of shame and self-rejection and self-hatred is overwhelming – I cannot do this in my own strength.

In **John 20:20** You first had to breathe over Your disciples, and then You told them to forgive all sins done against them. I need You to please come and breathe over me now as well Y'shua!!

I now make a choice with my will to walk in obedience to Your Word – and even if I do not have the emotional capacity to do this – I still chose to walk in forgiveness although I feel to rather die – or even murder those who violated my rights as a human being – humiliating me to just a sex object – disrespecting who I am as a person.

I forgive _____ the abuser / rapist for what they have done to me. I release them into the freedom of my forgiveness. I forgive them for committing the sin of rape, abuse and incest.

Father, where the trauma gates now open up in my subconscious mind and release the very painful memories to my conscious mind - I ask that the shed Blood of Y'shua now covers my conscious and subconscious mind – and I ask You to help me now process what happened in my conscious mind in a Godly order for me to be free from these memories.

Father, I ask You to lift off the shock and trauma of this act of violence from my spirit, my soul – mind, will and emotions.

Father, I ask You to sever the ungodly one-flesh tie that was formed through this violation of my will, in the Name of Y'shua.

For those still married to the person who raped them, please note it is the ungodly aspect of the spirit and soul-tie you are asking YHWH to break.

I ask You to lift off and clear everything of the perpetrator's spirit and soul that has touched me and does not belong to me. Please cleanse me of all defilement in the Name of Y'shua.

I now break the image of the perpetrator's personality that has imprinted and programmed within me. I break it in the Name of Y'shua. I break every uncleanness and every unclean desire – lust and perversion.

I rebuke the spirit of rape – all the lust and perversion – the murder and hatred - and command that spirit to leave in the Name of Y'shua. I rebuke every spirit of the **Baphomet, lust, misogyny and perversion** and command it to leave in the Name of Y'shua.

Father, I bring before You the shattering of my spirit and soul through the trauma that I have suffered, where the enemy has captured parts of my spirit and soul and locked me into a place/s of captivity in dimensions of the sexual kingdom.

Father, with the Keys of the Kingdom, please unlock the prison doors and remove me out of this domain – totally disconnected me from Baphomet and any other entity – totally destroy his authority over me and my family, in the Name of Y'shua.

Father, please remove any dead human spirits working with Baphomet that has been attached to my silver cord – Father, please send Your Escort angels now – open up the silver channel on my silver cord and remove every dead human spirit – Please take them to the place where You assign them to go, in the Name of Y'shua.

Father, soak my silver cord in the Blood of Y'shua and totally cleanse and seal it off to never again be defiled with demonic attachments, in the Name of Y'shua.

I ask You to please cleanse me – place me in to the River of Life flowing from Your Throne and with the Blood of the Lamb so that all of my humanity will be returned back to me, in Y'shua's Name .

Psalm 40:2-3 “*I waited patiently for ADONAI. He bent down to me and heard my cry. He brought me up out of the slimy pit, out of the mud and mire. Then He set my feet on a rock. He made my steps firm.* “

Abba Father, I ask that the Holy Spirit will now come and lift off all the pain and trauma and bring a complete healing to my spirit, soul and body, in the Name of Y'shua.

Father, I ask that every emotion that I felt within my body during the rape - all the demonic emotional charged energy that was projected into my body during the traumatic event, to be released.

I ask Father, that You will quantumly untangle me from land, time, space, and dimension of where the rape took place – untangle me from the perpetrator – body, soul and spirit, in the Name of Y'shua.

Father, I ask that You will trace and track the physical trauma energy that got trapped within my body, and that You will release all the trapped emotions now from my organs, cells, blood, waters and my quantum field – remove it completely out my body like pulling a bath plug – and let it all drain out, in the Name of Y'shua.

Father, I ask You to change the frequency of my body cells vibrating according to the shock and the trauma of having been raped – the resonance within my body vibrating according to the rapist and Baphomet.

Father, I bring before You every **cording** I have with the rapist and Baphomet, and I ask You to please take Your battle axe and severe ALL the cordings now, in the Name of Y'shua.

- Please severe the mind to mind cording so I will not be connected to the thoughts of the rapist and the influence of Baphomet.
- Please severe the gut to gut cording and lift off all the fear and anxiety of the rape.
- Please severe the groin to groin cording and remove the penis of the rapist from me – from my vagina, my anus and my mouth.

Father, where Baphomet was coupled to the rapist sexually and where I was being raped by the rapist and Baphomet at the same time – I ask You to totally quantumly disentangle me from all entanglement with the rapist and Baphomet and all the accompanying spirits involved in this act of rape and violation.

Father, where the energy centre wheels of my body has been misaligned because of this horrific act done against my will – I ask You to please correct the spinning **speed and direction** that my energy wheels are spinning – I ask You to please realign all my energy wheels to now synchronise and spin according to Your design determined in Genesis when you created mankind.

Thank You for delivering me and healing the deep wounds I have suffered from this abuse and trauma.

Amen

Prayer: Safety and Protection for Individual

Abba Father, I and all my humanity come to You in the Name of Messiah Y'shua of Nazareth, the only True Son of YHWH, and we petition for the following requests:

- ◆ That, I and all my humanity, will be supernaturally protected through Divine intervention of the Holy Spirit from **all forms of harm** - spiritually, mentally and physically - spirit, soul and body – all parts of my humanity - known and unknown.
- ◆ That all demonic **supernatural knowledge** meant and used for the purposes of **destruction** and the establishment of Satan's kingdom in my life would be blocked, and the demons conveying this information would be bound, struck with deafness, dumbness, blindness and paralyses.
- ◆ That all **communication lines** from the different levels of the spirit world (AI and intel grids), as well as all demonic dimensions in second heaven. Father, cut off all information being downloaded to me ... cut off and block all forms of control and all triggers through these avenues. Father, declare them to now be broken over my spirit, soul and body;
- ◆ That all harassment from demonic forces, fallen angels, Nephilim, human spirits and dead human spirits would cease, and that these agents of Satan would be placed under arrest and subdued.
- ◆ That the judgement of YHWH would be released against any fallen angels, demons, Nephilim, human spirits and dead human spirits that would seek to frustrate and block the work of the establishment of the highest Truth in my life, parts known and unknown.
- ◆ That all rituals, blood sacrifices, incantations, hexes and curses and spells released against myself and all parts of my humanity - known and unknown - by any persons representing the kingdom of Satan, would be rendered powerless and silenced by the Blood of Messiah Y'shua of Nazareth.

Silence all the blood speaking against me and all parts of my humanity, in the Name of Messiah Y'shua of Nazareth.

Let a Divine, supernatural encounter with YHWH, the Only True Living God, Messiah Y'shua of Nazareth, take place in my life and also for all parts of my humanity - known and unknown.

Abba Father, I ask You to dismantle all programming of suicide and self-destruction, by the power of the Holy Spirit of YHWH. I choose to make You a promise that I as well as any of my parts of humanity, will not hurt the body.

Father I give You thanks for these things and request these petitions in the Name of Messiah Y'shua of Nazareth.

Amen

Prayer: Safety & Recommitment of all Identities

- calling them back to the Individual

Father, I and all parts of my humanity, in the Name of Messiah Y'shua of Nazareth, want to confirm this petition now.

We petition for the safety of all the identities.

We petition for the redemption of all parts of my humanity - spirit, soul and body.

We petition for Your Holy Spirit to anoint all parts of my humanity - touch them, and make them aware of Your presence wherever they are - in whatever dimension, level, program, place, space - internally or externally.

We declare, Father, that You are everywhere. Nothing is hidden from Your sight or presence.

You can move wherever You want to through Your Holy Spirit. Holy Spirit, **nothing is hidden** from You – and You are omnipresent. You can move through the heavens, through all dimensions, through the underworld, the earth, the sea, the air, and all of creation is under Your authority.

You can also move through my internal world and protect all parts of my humanity – Please break down the dividing walls in my mind that separate us from one another - and cause that all the parts of my humanity – inside and outside the body - will be known by my conscious mind – and we will eventually be restored to the original plan of how You created us to be.

And I pray Father, in the Name of Y'shua, that You would recommit them to my conscious mind – that I will make room for every one of my parts – known or unknown.

I cancel every broken link between You and them, any form of blockage or isolation in the Name of Messiah Y'shua of Nazareth.

I call all the parts of my humanity back from wherever you were scattered and where you are being held captive – in any dimension, realm, heavenlies, waters, underworld, and all other places in the spirit not mentioned, in the Name of Messiah Y'shua of Nazareth.

I want you all to be with me and I now declare that you belong to me and you are part of me in the Name of Messiah Y'shua of Nazareth.
